## Shepherd Home Health and Hospice to host fundraiser

Shepherd Home Health and Hospice's yearly "My Last Wish" fundraiser is scheduled for Friday, August 21, from 10 AM to 2 PM. This year's fundraiser will be an End of Summer Barbecue in the parking lot of Shepherd Home Health in Clinton. They'll be serving hotdogs, hamburgers, potato salad, baked beans, and dessert. So, make sure to swing by for some great food.

It will be by donation only, and they're only doing to-go orders for safety. 95.5 *The Coyote* will be broadcasting live from the event in honor of their 50th birthday. Shepherd Home Health and Hospice is one of the platinum sponsors for the Coyote's birthday bash. All proceeds go to the "My Last Wish" program.

The program was started by the hospice team as a way to give their hospice patients an opportunity to realize their dreams. They want to make the final moments of their patients' lives peaceful and joyful, and by helping the patients accomplish their final wishes, they have noticed the patients and families are more at peace.

## Runoff election scheduled August 25

Don't forget to vote in the Custer County Commissioner, District 2 runoff election on August 25. The runoff is between candidate Carl Bailey and candidate Bruce Walker. During the primary election neither candidate was able to receive more than 50 percent of the votes. So, we strongly urge those eligible to vote to do so. For the runoff, registered Republicans residing in District 2 are the only ones eligible to vote. Oklahoma is a closed primary state, which means that registered voters of a political party are only able to vote for their party's nominations.

Voting precincts for the election are Pine Acres Mennonite Church, Weatherford; Life Fellowship Church, Weatherford; CrossPointe Church (formerly, Zion Church), Weatherford; St. Eugene's Catholic Church, Weatherford; and Thomas' Senior Citizens Center, Thomas.

## Bulldog Strong Event Planned August 20 in Towne Centre

Weatherford merchants and banks are planning an event in Towne Centre for all SWOSU students on Thursday, August 20, from 6-8 p.m.

The Welcome Back "Bulldog Strong" Event will be held from 6-8 p.m. in downtown Weatherford and will feature five \$1,000 scholarship giveaways, free ice cream truck, music, free hot dogs and bottled water and corn hole tournaments with prizes.

"We are so happy to have SWOSU students back in Weatherford and we wanted to have this fun event for the students," said co-organizer Phillip Reid. "We plan to have both fun and social distance at the same time."

All SWOSU students are invited and encouraged to attend.

## Motorists Encouraged to Use Caution Through SWOSU Campus

Southwestern Oklahoma State University fall semester classes began Monday, August 17, on the Weatherford campus, and SWOSU Public Safety Director Kendra Brown advises area residents to use caution while driving through the campus area.

"We have new students each fall on campus that are not yet familiar with the way traffic flows through the area, so this is just a reminder to local motorists to exercise caution while driving on and around campus," Brown said.

Davis Road is one of the most traveled thoroughfares through campus so extra caution is needed there. In addition, as a reminder, the Campus Drive "U" is a one-way street in an east-to-west direction.

AJ's military awards are many and they include: The Combat Action Badge, 3 Meritory Service Medals, 3 Army Commendation Medals, and completed Air Assault School. His fellow unit members would tell you that he was one of the kindest men you would meet. He would speak his mind but judging of people, he did not. He enjoyed playing jokes on his unit, and he was a good recipient of gentle jabs from them. He is remembered by his big smile and greater than life hug. His sisters would tell you that he always made them feel protected. He may not have let his sisters know it, but he always had their backs and would protect them. He often went along with his sisters' requests, even if that meant that they got to dress him up and put makeup on him (he never would admit this). He was a sweet soul. Aaron was a member of the United States Military Veterans Bike Club. The members of this club meant the world to Aaron. He enjoyed his times with them and he was very thankful of the support they provided to him during his times of need. They are a brotherhood and are his extended family. # "The Coin Guy"

## Tiny gold dollar fetches six figures

The gold rush of 1849 literally flooded the country with huge tons of gold. All this gold helped to create the birth of a new \$1 gold dollar struck 1849-1889. They were made in uncirculated and proof condition.

Trent Boesen

An 1855 gold \$1 dollar is pictured above in Proof 65+ Deep Cameo (a mirror-like surface). They are a creation of numismatic beauty. Their size is 10 mm (dime size is 17.90 mm).

The proof mintage total for the 1855 \$1 gold coin was 10 examples. Approximately 7 coins exist today. Someone in 1855 bought this gold dollar at the Philadelphia mint in proof condition and took excellent care of it. Its present day conservation is fantastic!

The 1855 gold \$1 coin was certified by the Professional Coin Grading Service as Proof 65+ DCAM. It sold at auction for \$329,000.

Are you wanting to know more about your collection but didn't know who to ask? Call the Coin Guy in Weatherford, Ok at 580-890-8076. We can meet at Jerry's and help answer your questions. Thanks for reading.

### Higher Ground Knowing the Heart and Mind of God

"His divine power has given us everything we need for the life and godliness through our knowledge of him who called us by his own glory and goodness..." 2 Peter 1:3

Jim Morrison

Isn't it good of God to preserve for us a record of the life of Jesus, his teachings, and his plan for world redemption? It's all there, available to us for the taking.

There is no healthy Christian life apart from a regular study of the Scriptures. Notice I did not say "read" but study. There is a difference.

Someone has said that the difference between Bible study and Bible reading is a pen and paper. How many of us have watched T.V. for three hours in an evening, spent three minutes quickly reading the Bible and gone to sleep. The next morning if someone asked you what you read last night, you probably could not remember.

Let's suppose you came upon a beautiful clear lake. You could see all the way to the bottom. You get in a motor boat and skim across the lake. You look down and see a few rocks, a few fish, maybe some coral and other colorful things but you would not really have much to take with you.

But suppose you got in a glass bottomed boat and rowed across the lake. Then you could delightfully study the beauty of underwater creatures, rock formations, and coral. Your excursion would leave a lasting impression. This illustrates the difference between reading and studying the Bible. Bible study takes some time, it involves work, but it's worth the trip. We live in a quick fix generation. But if you want to develop a growing relationship with God and prepare for maximum effectiveness you have to slow down to glean the great truths God has preserved.

Kick Warren has suggested three reasons why most Christians do not study the Bible. (Rick Warren, 12 Dynamic Bible Study Methods. Victor Books, Wheaton, Ill., 1978, pages 9-11)

- They don't know how.
- They aren't motivated
- They are lazy

I am going to help you in the first two areas. The last area is up to you. Do you really want to stay where you are, or would you like to "present yourself to God as a workman who is not ashamed?" AS you are prepared, God will open doors to use you and set you free to serve him. Would you join in this venture that will make the Bible come alive? What is even more important, you will become more like the Master in the process. Let me give you a few suggestions that might be helpful, especially in the letters or teaching portions of the New Testament.

Using the acronym TAPES as an example of how to meditate on a short passage...10-12 verses. Ask the following questions of the passage. Are there:

- What are the Teachings of truths in the passages
- How do I need to apply the truth to my life?
- Is there a principle, promise, or something I need to pray about?
- Is there an example I should follow?
- Is there a sin to avoid or a special verse to memorize.

May God bless you as you "study the Word. To comment: [jhm82@outlook.com](mailto:jhm82@outlook.com)

## Great American Conference to Suspend All Sports Competition Through December 31

Following a Friday evening meeting of the Great American Conference's Council of Presidents, the league will suspend all fall and winter sports – basketball, cross country, football, soccer and volleyball – and the two-semester sports of golf and tennis through December 31.

The Council made its recommendation in response to last week's directive from the NCAA Board of Governors regarding additional requirements as well the cancellation of 2020 NCAA Division II Fall Championships.

"We are disappointed for our student-athletes, coaches, and communities," GAC Commissioner Will Prewitt said. "Our membership's presidents and athletic

administrators did not arrive at this difficult decision lightly. Our hopes and work to date have been to proceed with fall competition following federal and state health guidance. However, recent decisions by the NCAA Board of Governors make this possibility unrealistic. We now turn our focus as a conference on how to best support our student-athletes during this challenging time and craft options that will allow them to experience meaningful and safe competition during spring 2021."

All NCAA athletically related activities (in all GAC sports), including in-season practices, out-of-season practices, weight training, team athletically related meetings, and voluntary workouts led by staff or in institutional facilities shall be permitted this fall based

on each institution's ability to comply with the recent NCAA Board of Governors directive.

The suspension of our fall and winter sports through December 31 is a heartbreak for all of us," said Harding President and GAC Council of Presidents Chairman Dr. Bruce McLarty. "Our athletes and college athletics are important to every GAC campus. The presidents are continuing our work to ensure that our student-athletes have a great college experience this year, in spite of the challenges we are facing.

The GAC will continue to evaluate NCAA, federal, state, and local developments and will provide updated revisions as further information becomes available. The league will announce revised schedules at a later date.

## SWODA Awarded \$1.5 million Grant for Opioid Prevention, Treatment, & Recovery

Burns Flat, OK (September 1, 2020) – South Western Oklahoma Development Authority (SWODA) was awarded a \$1,000,000 RCORP (Rural Communities Opioid Response Program)- Implementation grant. This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$1,000,000 with zero percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government. The overall goal of the program is to reduce the morbidity and mortality associated with opioid overdoses in high-risk, rural communities by strengthening the capacity of multi-sector community agencies to increase the access of care and resources for prevention, treatment, and recovery. The Western Oklahoma Opioid Prevention Consortium was developed by SWODA Executive Director, Debora Glasgow, and the SWODA Board of Trustees. Twenty-

three counties in western Oklahoma will benefit from the three-year grant.

SWODA wants to reduce the occurrence of Opioid Use Disorder (OUD) among new and at-risk users, as well as, fatal opioid overdoses using Medication Assisted Treatment (MAT) on a mobile medical unit while utilizing telehealth services for treatment and recovery in collaboration with Red Rock Behavioral Health Services and Northwest Center for Behavioral Health. The mobile unit will be staffed with an advanced practice registered nurse and patient navigator. Funds will also be used in public schools in conjunction with Oklahoma Department of Health Educators in a life skill training for 3rd-5th graders to help them avoid the misuse/abuse of opioids and prescription drugs. Narcan will be purchased and distributed to Vance and Altus Air Force Base barracks. There will be funds available to train doctors to become Data 2000 waived to treat opioid abuse disorder patients using MAT. Oklahoma Conference of Churches will train peer coaches and increase the

number of recovery programs in our communities. They will also collaborate with The Amethyst House in Altus to establish a MAT recovery house in central western Oklahoma.

SWODA also received a \$50,000 grant from Telligon Community Initiative (TCI), a private, Iowa-based charitable foundation. The one-year funds will supplement the salaries of the advanced practice registered nurse and a patient navigator for the mobile medical unit. Western Oklahoma Opioid Prevention Consortium was one of only 15 grants selected for TCI's 2020 Oklahoma and Colorado-based funding cycle, which awarded a total of \$640,685 in grants to nonprofit organizations in these states (\$325,000 to Oklahoma and \$315,685 to Colorado). TCI works to support projects in the priority funding areas of health innovation, health care workforce development and access to care for the underserved. Since 2014, TCI has awarded more than \$10.3 million to 251 organizations and projects in Iowa, Illinois, Oklahoma and Colorado.

### “22”

**Kelly R. Kilhoffer**  
Oklahoma History Enthusiast

Twenty two a day,  
That's what statistics say.  
It sounds so harsh, so cold.  
It just can't be helped we're told.  
But to me 22 is just 22 too many.  
Too few of us think of them,  
Think about all the hell they've been in.  
22 just can't put the past aside.  
Now there's 22 that can no longer hide.  
Once they stood so proud & tall,  
Now their just trying to make sense of it all.  
Too many demons from the past,  
22 that just won't last.  
22 too many, 22 too many, too many.  
Once they had each other's back,  
Brothers and Sisters they withstood each attack.  
They made it home, finished their race,  
The echoes of war too much to face.  
22 a day who won the war.  
22 a day who'll fight no more.

22 veterans take their life each day in this country. They served with dignity and honor and didn't ask for anything in return. Their nation has failed them. We have failed them.

## Katie Baker Named Bill & Elois Muncy Scholar at SWOSU

Southwestern Oklahoma State University (SWOSU) student Katie Baker of Geary has been named the 2020-21 Bill & Elois Muncy Scholar by the SWOSU Foundation, Inc., in Weatherford.

**Katie Baker**

Baker is studying pharmacy and is an alumna of SWOSU's annual PharmCORP program, which consists of eight pharmacy skills workshops for high school students in 9th - 12th grade who are interested in a career in pharmacy.

The Bill and Elois Muncy Memorial Scholarship Fund was established in 2015 by their children—Mike Muncy (SWOSU Class of 1977) of Oklahoma City and Jayne Muncy Hackworth of Centennial (CO). The fund benefits SWOSU students from the Geary, Watonga, Calumet and Greenfield areas.

Bill and Elois Muncy were educated in Hinton. Bill

was one year ahead of Elois in school, and together the two took every math class offered them. Bill wanted to go to college but could not afford it, so after graduation he went to work at his uncle's farm at Geary. They understood the value of education and were always reading and learning. They always said, "Once you learn it, it's yours for life."

The Muncys were proud to sponsor National Honor Society students at Geary High School, believing sincerely that induction into the National Honor Society was as important as making the football team. For many years, the Muncys delighted in regularly treating the honor society students to a steak dinner and a night of bowling in Weatherford. The Muncys were quiet benefactors of several students from the Geary area who could not have otherwise afforded college expenses.

The Bill and Elois Muncy Memorial Scholarship is stewarded by the SWOSU Foundation, Inc., which was established in 1977 to promote philanthropy, award scholarships, and distribute funds to support the activities and programs of SWOSU. Located on the Weatherford campus in the historic Burton House, the Foundation currently stewards over \$26 million in assets for the benefit of SWOSU.
