We are committed to providing a wide range of funeral services to fit the individual needs of every family.

Serving Western Oklahoma since 1928.

Rowen Lou Robison

A Celebration of Life for Rowen Lou Robison, 2 year-old Amarillo, Texas, resident, were held Monday, March 21, 2022, 10:00 A.M. with Glen Blood officiating. Services are under the direction of Lockstone Funeral Home of Weatherford, Oklahoma.

Rowen was born May 5, 2019, in Oklahoma City, Oklahoma to Christopher Charles and Micah BreAnne (Steffensen) Robison, weighing 3 lbs and 3 oz, and passed away Wednesday, March 16, 2022 at Northwest Texas Hospital in Amarillo, Texas. The family moved to Amarillo in August 2021.

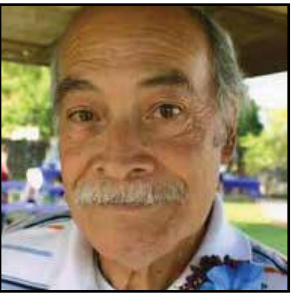

Rowen was diagnosed with a rare genetic condition in her first year of life. Since birth she spent numerous stints in and out of hospitals. Even though she was sick, she never let anyone know. Her character and personality were nothing but joy, pure happiness. She rarely fussed and smiled big, smiles all the way to her eyes. She fought hard from day one.

Rowen's life is proof of the power of joy. Even in the hard times of pain and suffering, joy ruled and shined bright. The joy a child brings into this world is over powering, and what we need, more over. Rowen knew what we needed. We did not need to teach her about love because she came with the uncorrupted and pure love from our Father in Heaven. She brought a stronger and deeper faith into our household. It was through her that we found Mercy and Grace of Jesus Christ. We will forever miss her, but we will always praise God for our time together.

Rowen is survived by her parents Chris and Micah Robison and 5 year-old brother Oliver Robison of their home in Amarillo, Texas; maternal grandparents Bentley and Jamie Steffensen of Amarillo, Texas; maternal great-grandparents Don and Leta Steffensen of Weatherford, Oklahoma; paternal grandparents Butch and Penny Robison of Weatherford, Oklahoma; aunts and uncles Kevin and Nacole Coker and their children Case and Cade of Roanoke, Texas; Brodie Steffensen of Amarillo, Texas, Harper and Kelsie Scofield of Amarillo, Texas; Shelby and Kim Robison and their children Drake and Paige of Canton, Oklahoma; and Joni and Bode Bond and their children Hayes and Layne of Canton, Oklahoma. She was preceded in death by her paternal great-grandparents Grant and Opal Denton as well as great grandparents Merlin and Verlyn Robison; and maternal great-grandparents James and Mary Avant.

Rigoberto "Rigo" Martinez

Rigoberto "Rigo" Martinez was born July 8, 1941, in Leon, Guanajuato, Mexico, to Evodio and Juliana (Villalobos) Martinez and passed away Wednesday, March 23, 2022, at his home in Weatherford, surrounded by his family, at the age of 80 years, 8 months and 15 days.

Rigo was raised, schooled and married in Mexico. After he married Martha Azpetia, they moved to Guadalajara to raise their family. Rigo and Martha moved to California in 1979 where he worked in a leather factory. They moved to Weatherford in 1994 and worked as a carpenter. Rigo enjoyed building and fixing things, walking and riding his bicycle, had a "green thumb," loved all animals and

birds. He will be remembered as being funny, always joking and had a sharp wit.

Rigo is survived by five sons: Gustavo (Norma Montes) Martinez of Las Vegas, Danny (Shelby) Martinez of Weatherford; Beto (Jacky) Martinez of Tulsa; Saul (girlfriend, Isela) Martinez of Weatherford; Oscar (Candace) Martinez of Tulsa; five daughters: Maria (Mario) Llamas of Weatherford; Gaby (David) Cordereo of Weatherford; Lucia Martinez of Weatherford; Alma (Mario Mendiaz) Martinez of Las Vegas; and Julie (Oscar Moran) Martinez of Long Beach, California; one brother, Raul Martinez of Mexico; one sister Lourdes Lozano of Mexico; twenty-nine grandchildren; and four great-grandchildren. He was preceded in death by parents; wife Martha and three brothers; Rodolfo, Rogelio and Roberto.

He came home on a thirty day leave before being sent to North Carolina to finish his military obligation and was honorably discharged on May 2, 1968.

He returned to Clinton, OK and again worked for the Midwest Farmers Gin for two more years. He worked for the Clinton Glass Company for fourteen 14 years. During that time along with Eddie Schmidt, his brother-in-law, they built around 45 houses for Calvin Browning. SWOSU Receives \$450,000 Grant for High-Quality Afterschool and Summer Learning Programs Initiative

Southwestern Oklahoma State University has been awarded \$150,000 per year over three years from the Oklahoma State Department of Education (OSDE) under OSDE'S High-Quality Afterschool and Summer Learning Programs initiative for the LEG-UP Program.

LEG-UP is "Learning and Engagement for Growth: United Partners" and the goal of the program is to ensure that students and families are supported in out-of-school time learning with programming that is partnership-driven, widely available, and student success-focused.

SWOSU LEG-UP project directors are Dr. Bo Pagliasotti and Marla Pankratz. This program will be a partnership with Weatherford Public Schools.

"This generous grant will enable the SWOSU Kinesiology Department to implement an incredible learning environment for a group of Weatherford elementary students," Pagliasotti said. "The after-school portion of our program will concentrate on nutrition, physical education, and wellness. It will be based on components from the Whole School, Whole Community, Whole Child (WSCC) Model developed by the Center for Disease Control Healthy Schools. Our goal is to combine learning and lots of movement to get

the kids excited about building a healthy, active life."

Pankratz said the grant is an opportunity for the SWOSU Department of Education to partner with Weatherford Public Schools to provide a multi-layered approach to support the specific needs of Weatherford students through a summer program.

"The WSCC model is student-centered and emphasizes the role of the community, the connections between health and academic achievement, and the importance of evidence-based practices," Pankratz said. "The goal of the summer program is to support student growth in reading and math through evidence-based learning activities, enrichment activities, movement, and community building."

The afterschool team consists of Pagliasotti, Dr. Amber Sturgeon, Vanessa Nix and Wayne Anderson from the SWOSU Department of Kinesiology, and

the summer school team consists of faculty from the SWOSU Department of Education, including Pankratz, Dr. Amy Barnett, Robyn Randol and Dawn Keller.

SWOSU will also receive technical assistance and professional learning opportunities, data collection, and support for program evaluation.

Grants will be funded through June 30, 2024, and are a component of Ready Together Oklahoma: An Action Plan for Supporting Students Through the Pandemic and Beyond.

HIGHER GROUND

Doors of Opportunity

Jim Morrison

I have to admit that more often than not, I don't have a clue as to what I am to write about in the next Higher Ground article. This is one of those times. So I feel impressed to just share a little of a difficult spring break week and the way God blessed me this week. The previous week (spring break for the youngin's.) was not one of the most joyful. At midnight on Sunday, I found myself calling 911. Mary, my wife, was experiencing heavy chest pains and I felt we needed help. After several hours and many tests in the ER it was determined that she should be taken to the Heart hospital in Oklahoma City. I felt I needed at least a couple of hours of sleep before driving to the City so I went home for a quick nap and prepare for at least an overnight stay in the hospital. The cardiologist decided to do an angiogram on

Tuesday, so Monday was a day of more tests and waiting. Already groggy from sleep deprivation, the narrow bed (bench) in the room didn't provide much comfort to catch up on that loss. But by this time Mary was feeling much better and the nurses were very kind. The angiogram did not show any major problems and with more pills and a future review and checkup planned, we were free to go home.

After a couple of nights of sleep I woke up early Friday morning with waves of nausea sweeping over me. I had succumbed to a stomach bug that made my day miserable. I missed church that Sunday but I recovered well enough to make to the county jail for the Sunday evening service. That is where the blessing came in.

We have been going through the DVD series that accompanies Rick Warren's book, Purpose Driven Life. That evening Rick shared the concept that we were shaped to serve. One of the groups is made up of Northern Cheyenne Native Americans, mostly from Montana. I shared a handout that I had found on the internet that described a ministry of service by a Native American Pastor and ministry leader in the region where some of the men had lived. In fact, one of the men had met the minister. In was an opportunity to challenge them to go back to the reservation and become a servant, providing a

platform from which to share the love of Jesus. One man proudly shared that he had fully read the book, PDL. I asked if there was one thing that stood out for him. He replied, "The Great Commission." Another inmate showed me his notebook. I had challenged them that as they read to pick out key verses, and write out a prayer relating to that verse. His notebook revealed page after page of verses and prayers he had written as he read through N.T. books. Another young man held up a book he had read. He said it was the first book he had ever read from start to finish. I almost forgot to share that on Saturday I was able to help two 20 year old women with their utility bills. (This from the Ministerial Alliance) One was a single mom with three children and another living as a caregiver for her 15 year old brother. They both indicated that they needed and wanted to get started back in church. I was able to share this with some friends who planned to make a follow up visit. So I was blessed and all the glory goes to God who keeps me healthy and opens the doors of opportunity. "And pray for us too, that God may open a door for our message, that we may proclaim the mystery of Christ....pray that I may proclaim it clearly, as I should." Col. 4:4,5. Tramble Picks Up Second All-American Recognition

Jon Chidester
SWOSU Assistant AD/Media Relations

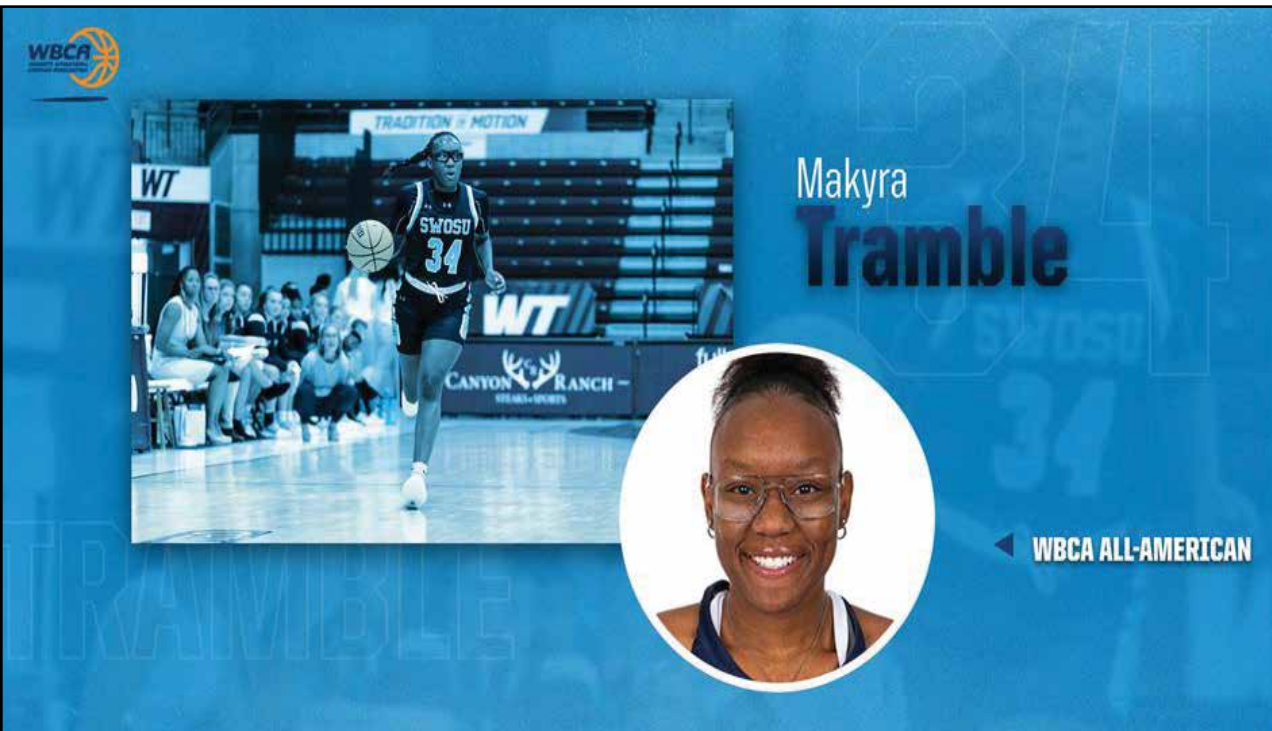

Makyrá Tramble has been named a Women’s Basketball Coaches Association (WBCA) All-American, announced on Wednesday afternoon by the organization. It is now the second media outlet to recognize Tramble as an All-American this season.

Tramble (Shawnee, Okla.) adds the latest accolade to a long list of 2022 accomplishments that include being named both the D2CCA’s National and Central Region Player of the Year as well as the GAC’s Player of the Year. She was a Third Team D2CCA All-American selection last season and is now a WBCA Honorable Mention All-American this season.

This is now the third SWOSU player in program history to be named a WBCA All-American. Hailey Tucker (first team) and Hayden Priddy (honorable mention) each earned the honor following the 2018-19 season.

Tramble was the only women’s player in NCAA Division II this year to average 20.0 points, 5.0 rebounds, and 5.0 assists. She is also just one of three players across all three divisions (I, II, III) to do so.

Around the NCAA, Tramble ranked top-25 nationally in minutes played (1st), field goals made (2nd), field goals attempted (3rd), steals (3rd) assists (5th), assists/game (14th) and points per game (17th) when her season ended.

Provided

Makyrá Tramble caps off another historic season with the SWOSU Lady Bulldogs by being named to the WBCA Honorable Mention All-American Selection. The SWOSU Sophomore from Shawnee averaged 20.0 points, 5.0 rebonds, and 5.0 assists this season.

Softball Closes Out HSU Series With Win in Extras

Josh Jennings
Sports Information Student
Assistant

It took extra innings, but SWOSU softball defeated Henderson State 6-3 to pick up the series finale win over Henderson State and avoid the sweep.

SWOSU scored three runs in the top of the 11th inning and got three outs to salvage the weekend road trip.

SWOSU trailed 1-0 in the second inning as Henderson State scored a run in the bottom of the second inning.

However, SWOSU would tie the game in the top of the third inning when Jewell Lee scored on a passed ball.

Henderson State would take the lead right back, as they scored a run in the bottom of the third inning, making the score 2-1. The Reddies also would score another run in the bottom of the fourth inning, making it 3-1.

SWOSU cut Henderson State’s two run lead in half when Lee recorded an RBI double into left field and Jordyn Wadley scored. SWOSU still trailed 3-2 going into the bottom of the sixth inning.

SWOSU tied the game when Wadley recorded an

RBI double and Hannah Franklin scored. SWOSU held Henderson State scoreless in the bottom of the seventh inning and the game headed to extras.

After scoreless eighth, ninth and tenth innings on both sides, SWOSU built a three run lead in the top of the 11th inning when Skye Tilley hit a home run above the center field fence. Breanna Simmons recorded two RBIs when she hit a double into left field. Lee and Wadley each scored.

SWOSU won the game when pitcher Alisa Friesen caught a line drive hit right back at her, snapping SWOSU’s four game losing streak.

Friesen (W, 4-9) pitched all 11 innings and recorded three strikeouts and allowed 10 hits. Simmons recorded two RBIs and two hits. Franklin and Tilley each recorded two hits.

SWOSU improves to 6-20 and 5-12 in Great American Conference play and will play their next game at home against East Central for a GAC series.

Dawgs Notch Series Win Over Ranked Reddies Squad

Jon Chidester
SWOSU Assistant AD/Media
Relations

The SWOSU Athletic Complex saw good baseball all day long on Saturday when the Bulldogs battled No. 16-ranked Henderson State in a doubleheader to close out the GAC series. The two teams split the twinbill, but a Friday victory in game one allowed SWOSU to win the series 2-1.

The Dawgs won the first game on Saturday 6-3, before dropping the nightcap in extra innings 10-8. SWOSU’s winning run was thrown out at the plate in the seventh inning, and they went on to fall in the eighth.

Smith and Postlethwait Named Bulldogs of the Week

SEYDI SMITH

NATE POSTLETHWAIT

BULLDOGS OF THE WEEK

WEEK 29 - MARCH 21-27

Jon Chidester
SWOSU Assistant AD/Media Relations

Seydi Smith and Nate Postlethwait have been named the latest Bulldogs of the Week, brought to you by Wright Wradio – the voice of SWOSU Athletics heard on both 95.5 ‘The Coyote’ and 100.3 ‘Coyote Classic.’

Smith (Newcastle, Okla.) finished first in her

5000m race on Saturday as SWOSU’s highest finisher of the OBU Invitational held in Shawnee. The freshman posted a 20:14.41 to earn the fastest time in her Saturday heat.

Postlethwait (Wichita, Kan.) kept a nationally ranked Henderson State offense in check during his start on the mound, holding the Reddies to just three

runs on four hits in 7.1 innings of work. The senior was in control nearly from the start by striking out six and walking three. He did not allow a run until the fifth inning and surrendered only single scattered runs to finish his outing. Postlethwait and the Dawgs went on to earn a 6-3 victory over Henderson State to win the series.

Corn Bible Academy to Host Annual Fundraiser German Feast

Corn Bible Academy’s annual smash hit, the German Feast, is back for 2022! From 10a - 6p, the auction and feast will feature their famous traditional German food, everything from “verenika, sour kraut, German sausage, mousse, zwieback, and last but not least, the German delicacy, schnetka”.

The feast has been CBA’s most popular fundraiser, dating back to 1964. With special items featured

in the silent auction like exotic vacations, thunder tickets, and handmade goods, the event is a huge help to the ongoing support CBA uses to fulfill their mission for western Oklahoma children and families.

Each feast has been memorable and important, but this year is extremely special. This is the last feast that will be held at their location in Corn, OK. With their Grand Opening and Dedication on March 26th, their new campus location in Clinton, OK is officially ready to pick up the mantle of hosting the annual feast. CBA is excited to begin this new chapter in their history and is looking forward to many more German Feasts to come.

Tickets are available online, from a CBA student, or at the door on the day. For more information visit cornbible.org or email info@cornbible.org.
