Memorial services for Larry Wayne Sawatzky, 79, a Weatherford resident, were held at 2:00 P.M., Tuesday, November 29, 2022, in the Kiesau Memorial Chapel, officiated by Chaplain Ron Thiessen and under the direction of the Kiesau-Lee Funeral Home.

Larry Sawatzky was born January 2, 1943, to Albert and Sadie (McLaughlin) Sawatzky in Clinton, OK, and passed away Friday, November 25, 2022, at his Weatherford home.

He attended and graduated from Arapaho High School in 1961. Larry served in the United States Air Force. The 3M Company in Weatherford employed him for over 30 years until his retirement. He also farmed and ranched his whole life, which was one of his greatest joys. He was a collector of antique tractors. He also obtained numerous trucks over the years and had nicknames for each one, regardless of whether they operated. Larry married Carol Gentry on October 19, 1967. They had two daughters: Jennifer and Abby. Later in life, he married Carletta Davis on October 26, 1993, in Eureka Springs, AR.

Larry was preceded in death by father Albert, mother Sadie, stepmother Susan, and brother Ronald.

He is survived by his wife of 29 years Carletta of the home, his two daughters: Jennifer Sawatzky of Bentonville, AR; and Abby Babb and husband Kelly of Stuart, OK; stepson Charlie Riley and wife Tricia of Corn, OK; and Ronnie Riley and wife Sarah of Jenks, OK; sister Andrea Sizemore and husband Walter of Tulsa, OK; grandchildren: Derek Beck and wife Morgan of Weatherford, OK; Aaron Riley and wife Ariel; Jeffrey Riley and wife Emily; Hunter Riley, Reid Riley, Madison Riley, Lauren Riley, Garrett Kennedy, and Lauren Kennedy, as well as numerous nieces and nephews.

Regina Louise "Taco" Mata

Regina Louise Mata was born November 19, 1972, to Juan Arriaga and Madonna Starr in Oklahoma City, OK, and passed away Thursday, November 24, 2022, in Clinton, OK.

"Taco," as family and friends knew her, was raised by grandparents, Chief Moses Nellie Starr, in Clinton, OK. She attended Clinton schools before venturing off to Kansas at a young age. She married Manuel Mata in 1992 in Kansas. They moved to Buffalo, OK also to Mexico.

Cheyenne-Arapaho employed her in Clinton to transport the elderly. She also worked in housekeeping in local motels. She enjoyed doing beadwork and drawing. She was also a collector of "stuff."

She was preceded in death by her mother, Madonna Starr, and her husband, Manuel.

She is survived by daughters: Madonna Mata, Tahlequah, and Monica Starr, Elk City, OK; sons: Juan Antonio Mata and wife Nichole Nowata, OK; Rafael Mata and Illiana, Clinton; Esteban Mata, Weatherford; and Manuel Mata, Clinton; and her father Juan Arriaga, Clinton.

She is also survived by ten grandchildren.

Marcella Keller

Marcella Gertrude Keller was born on October 11, 1921, to Mathias and Ethelburg (Heger) Keller in El Reno, Oklahoma, and passed away peacefully in her home, surrounded by her family, on Tuesday, November 29, 2022, at the age of 101 years, one month, and 18 days. Marcella was a beloved Mammie and mom to her family, who will all miss her dearly.

Marcella attended Sacred Heart Catholic School in El Reno before moving to Hydro, Oklahoma, where she graduated in 1939. After graduation, she worked in Hydro at Basinger General Store, Kirpatrick's Filling Station and Cabins, and Heger Grocery Store (for her uncle Charles). Her sister, Loretta, took over all the duties on the farm after their father's passing. At Kirpatrick's Cabins, Marcella cleaned six cabins, washed sheets in an old foot pedal-powered Maytag washing machine, and hung the sheets on a clothesline to dry. Because she was such a hard worker, she made \$4.00 per week, which was \$1.00 more than the other hired help. She was able to buy herself a car plus many furnishings for the house on the farm.

In the 1950s, Marcella moved to Weatherford, where she worked at Eaton's IGA for nineteen years and 3M for fifteen years, eventually retiring in 1993. Marcella never married or had children of her own, but she has two special nieces who became her daughters. She helped raise her grandchildren, Kenlee Smith Copeland and Dyson Smith, living with them until they moved out. She lived her last thirty years with her daughter, Brandie Smith.

Marcella was also a loving Mammie to three additional grandchildren: Lillyanna Puente, Connor Pair, and Taylor Pair.

Marcella enjoyed spending time at home with her family, over-watering her flowers, working jigsaw puzzles, and feeding her fat cats. In the summer of 1986, she won the Green Spade Award for the best yard in Weatherford.

Marcella was preceded in death by her parents, Matt and Ethel Keller, two sisters: Mona Rita Ford and Roberta Williams; and two nieces: Twila Marshall and Sheila Triplett.

She is survived by two daughters: Brandie and husband Travis Smith of Weatherford; and Bridget and husband Steven Pair of Weatherford; sister Loretta Marshall of Hydro; five grandchildren: Kenlee Copeland and husband Tacoma; Dyson Smith; Lillyanna Puente; Connor Pair; and Taylor Pair; two nieces: Celia Marshall and Rhonda Marshall of Hydro; and two nephews: Bernie and Laura Marshall of Hydro; and Carlos and Terri Triplett of Weatherford.

Dan Turner

Dan Ross Turner was born June 12, 1944, to Doyle Earl Turner and Winnifred Pearl (Smith) Turner in Sayre, Oklahoma, and passed away Friday, November 25, 2022, in Alliance Health Clinton.

Dan was raised in Sweetwater, OK and, at a young age, he moved with his family to Erick, OK. He attended and graduated from Erick High School in 1962. He furthered his education by going to Oklahoma State University at Stillwater, OK and Southwestern Oklahoma State University in Weatherford, OK, receiving his degrees in Education. He married his wife Toni Queenan on January 14, 1967, in Erick, OK.

He was an educator and served both as a principal and classroom teacher in Erick, OK and Kingfisher, OK and retired after 35 years.

He was a member of the Church of Jesus Christ of Latter-Day Saints in Clinton, the Sigma Tau Gamma Fraternity, the Rotary Club and the Lion Club. He enjoyed fly fishing, raising horses, hunting, genealogy and family history.

He was preceded in death by his parents, and brother Michael Turner.

He is survived by his wife Toni of the home, son Jason Turner, daughter Jordan Mosby, sister Sherri Johnson, and brother, Doug Turner.

He is also survived by three grandchildren: Joey Mosby, Gunner Mosby and Bridgette Mosby.

A Teacher's Prayer

Jim Morrison

We are nearing the end of the first semester of the school year. Students as well as teachers are eager for a break from each other as well as the work required. I read an illustration recently that may depict the life of a school teacher. It seems a first grader came home to share with her mom the news, "My teacher is a Christian." The mother replied, "How do you know?" The child explained, "She prays. "O God, help me through the day, or sometimes she just says 'O God' and lays her head on the desk."

I'm sure many teachers can identify with this illustration. Having taught a couple of years in my former life and substituting several times, that could

have been me.

It is important that we pray for our school teachers. They have the potential to exert great influence n your children. Teachers, together with their parents, have the responsibility for setting in motion the desire to learn. Guy Dobb, former "Teacher of the Year" in speaking to a group of educators expressed this in poem entitled "A Molder of Dreams" It is a poetic way of expressing the great influence a teacher can have on the young learner. With gods in a little g he said:

"You are the molder of their dreams,
The gods who build their trust, their young beliefs of right and wrong,
the spark that sets aflame the poets of the young, the very young.
You are the guardian of a million dreams.
Your every smile or frown can heal or pierce a heart.
Yours' are a hundred lives, a thousand lives. Yours' is the pride of loving them and the sorrow too.

Your patient work, your touch, make you the gods of hope who fills their song with dreams and make those dreams come true."

Marsha Wright has written A Teachers Prayer that could be the expression of every teacher:

To comment: jhm82@outlook.com, (580) 302-1142

*"Help me to be grateful
For the students who like to learn
And feel challenged by those who don't.
Help me to be thankful
For the students I love
And understand those I'm learning to love.
Help me to be motivated
By the students who learn to think
And be committed to those afraid to try.
Help me to be inspired
By the students who choose right over wrong
And be patient with those who lack the courage.
Help me to be gentle
With the student s who make mistakes,
And learn to forgive a difficult child.
Help me to be wise with the students building character;
And be unwavering with those without conscience.
Help me to be committed to students who are responsible
And be persistent with those who value nothing.
Help me to be calm in the midst of violence
And model self-control in the midst of anger
Help me to be faithful in the days of discouragement
And be dedicated to make one child smile."*

A signing ceremony for a concurrent enrollment partnership between Southwestern Oklahoma State University and Clinton Public Schools was held on the Weatherford campus. SWOSU President Dr. Diana Lovell says it surrounds concurrent enrollment for high school students, allowing those students to earn dual high school and college credit.

The Weatherford Rotary Club has added two new members. Pictured (from left): Rotary President Josh Vanderburgh, new members Ryan Baldwin with Pioneer Cellular, and Ryan Terry with Bank of Western Oklahoma.

CUSTER CO / HEALTH DEPT. - At the meeting of the Custer County commissioners, Sandy Settle, the local emergency response coordinator for the Oklahoma State Health Department spoke about a grant they will apply for and use Custer County as a pass-through organization. Settle said they previously used Woodward County as the pass-through organization but logistically it would be easier to use Custer County. Some uses for the grant money would be to certify health department staff to teach CPR and purchase training equipment as well. Commissioners and county clerk Melissa Graham agreed to be the hosting organization for the grant.

CLINTON SCHOOLS/FINALISTS - Clinton Public Schools have announced their finalists for teacher of the year and support staff of the year. Teacher of the year finalists include Michele Granger, Marilyn Norman, Marykathryn Daugherty, Shakira Thigpen, and Heather Davis. Support staff of the year finalists are Juanita Casas, Greg Granger, Michelle Thompson and Virginia Goucher. The winners will be announced December 21st.

WEATHERFORD/SUBWAY - Plans for a remodel and expansion of the Weatherford Subway have been filed with the city of Weatherford. Plans show that as part of the work, the store will expand seating for a total of 38 seats. The \$150,000 project will expand into the former GNC location in the Weatherford shopping center. The shop is currently closed during the remodel and expansion process.

WEST OK/SAFE CITIES - Safewide.com has released its top 10 safest towns & cities in Oklahoma. The town of Hinton came in 2nd, Burns Flat was 7th and Cordell was 10th. The towns and cities selected have some of the lowest crime rates in the state, and some have the lowest in the nation according to FBI crime statistics.

CLINTON/ALLIANCE-HEALTH - Hospital leaders of Alliance-Health Clinton have provided an update on plans to discontinue operations of Alliance-Health Clinton when the lease agreement expires at the end of this calendar year. Officials say Alliance-Health Clinton will offer most services until December 31st including general surgery, ophthalmology and podiatry procedures, outpatient rehabilitation for physical, speech and occupational therapies and outpatient radiology and lab services. The ER will continue to accept patients until midday on December 31st. However, inpatient services are scheduled to end before December 31st, to support an orderly transition of patient care. Inpatient rehabilitation will accept new admissions through December 15th. Acute inpatient medical and surgical admissions will be accepted through December 26th. The skilled nursing unit is no longer accepting new patients. In early November, the city of Clinton contracted with Carrus Health to be the new facility manager beginning January 1st.

ODOT/CLINTON EXIT 65 - In an update on Wright Wradio, Oklahoma Department of Transportation Division 5 engineer Brent Almquist provided details surrounding the exit 65/65, a project in Clinton. Almquist says the project will be let out to bid in late 2024 or early 2025. He says the work will be done in 8 phases.

WRH/MRI PROJECT - The Weatherford Hospital authority has decided to table action, regarding the MRI upgrade project. The board is seeking guidance on how to proceed with the bidding process. The board could meet in executive session to make a decision on a bid surrounding the project.

Lady Bulldogs Drop Road Matchup at Southeastern

Jon Chidester
SWOSU Media Relations

SWOSU Women's Basketball trailed by just six at half time, but saw that deficit continue to grow in the second half – falling to Southeastern 62-53 on Saturday in the first road conference game of the season.

The Lady Bulldogs trailed by 16 at the start of the fourth quarter after the Savage Storm knocked down a three-pointer to open up the scoring. SWOSU managed to get the margin within single digits by the end of the contest by outscoring the home side but couldn't get themselves all the way out of the hole that had been dug prior.

That fourth quarter was the best offensive output

the Lady Bulldogs put together all game. They shot 50% in the final 10 minutes and edged Southeastern 19-15 in the process.

Prior to that, SWOSU suffered through more shooting woes for the second straight conference game.

Through three quarters, SWOSU shot just 26% collectively and finished at 31% for the game.

The three-point shot continues to give SWOSU trouble. They were just 4-of-27 (14%) from three-point land against Southeastern on Saturday.

Southeastern had a slow start themselves and let SWOSU hang around in the first half. It wasn't until the third quarter where they got things rolling to

extend their lead to double digits and put the Lady Dawgs in a hole. Final shooting numbers for the Savage Storm showed 43% as a team which included 9-for-23 from deep.

The SWOSU defense forced 21 turnovers while only giving away 10 themselves. They continue to win the turnover battle in games, which will undoubtedly help them later in the season once shots start falling. They were however, outrebounded 43-29.

Averi Zinn finished with a game high 18 points. Macy Gore added 12.

East Central will be SWOSU's next opponent in more GAC action. The Tigers visit Weatherford next Saturday (Dec. 10) for a 1pm tipoff.

SWOSU Men Downed by Storm in First Conference Game

Jon Chidester
SWOSU Media Relations

In the first road conference game of the season SWOSU fell victim to a hot-shooting Southeastern team, losing 112-87 to wrap up the first week of league play.

The Savage Storm connected on 22 three-point shots, shooting nearly 63% from deep in the process, and finished the game better than 50% in overall field goal percentage – a tough stat line to overcome for any team.

Both halves were controlled by the Storm. They led

by 13 points at halftime and led by as many as 30 points in the second half. SWOSU had the game within single digits (9) just before the first media timeout of the second half, but that was as close as they would get.

For the second consecutive game, an opposing player scored 30-plus points on the Dawgs after Jett Sternberger of Southeastern finished with 31.

It was a career night for Jamaal Smith. He finished with 13 points and added four rebounds. Ben Smith also scored

13, followed by three players with 10 apiece.

The Dawg offense managed to shoot 46% collectively, but just 5-of-18 (27%) from three-point land. Entering Saturday, SWOSU was averaging over 10 makes a game from deep. Five against Southeastern marks a season low.

The loss drops SWOSU back to an even 4-4 on the season and 0-2 in GAC action. They'll practice throughout the upcoming work week and prepare to host East Central next Saturday, December 10.

Smith and Smith Awarded Bulldogs of the Week

Grant Kopycinski
SWOSU Sports Assistant

Ben Smith (men's basketball) and Shamica Smith (women's basketball) have been picked as the newest Bulldogs of the Week. The award is brought to you by Wright Wradio, the official partner of SWOSU Athletics for both livestream and radio.

B. Smith (Edmond, OK) was a consistent producer for the Bulldogs in their two games this past week. In the first matchup, he had a season high 15 points, with three rebounds. The second game versus Southeastern, Smith added 13 points and three rebounds. These two games brought his scoring average for the year to 12.3 points per game.
