The Weatherford Lady Eagles Volleyball team both hosted and competed in the Class 4A Regional Championship on October 9, and came out the other end as Regional Champions.

The Lady Eagles have had a very dominant 2025 season. They are currently ranked #3 in class 4A, with a 30-5 win-loss record they've been building up since August.

The 4A Volleyball State Championships will be held at Carl Alberts High School on October 16, 17, and 18. The Lady Eagles will play their first game on October 16 at 11:15 a.m. They are slated to face off against the Community Christian Royals, who are ranked #1 in Oklahoma's Class 4A, with a 29 game win streak for this season. More information can be found in the State Championships bracket, available by visiting the OSSAA's website or by scanning the QR code to the left.

Sue Mingus

Donitta Sue Mingus, beloved wife, mother, grandmother, friend, and faithful servant of Christ, passed away peacefully at her home in Weatherford, Oklahoma, on October 2, 2025, at the age of 80.

Born on January 24, 1945, in Anadarko, Oklahoma, Sue graduated from Anadarko High School and earned her bachelor's degree from Southwestern Oklahoma State University in Weatherford.

It was in Anadarko where she met the love of her life, Robert, with whom she shared a lifelong love story that began in high school. They were married on March 22, 1967, and built a beautiful life together, raising their two daughters in Weatherford in a home filled with love, faith and laughter.

Sue began her professional life as a high school home economics teacher at Corn Bible Academy. After the birth of their first daughter, Deleise, she chose to dedicate herself full-time to being a mother and homemaker. Once her daughters were older, Sue returned to work as a secretary for Public Service Company in Weatherford. She later worked at Pink Turtle Gifts where for decades she became known across town as the go-to person when anyone needed just the right gift for their loved one.

Later in life, her love for children eventually brought her out of retirement to teach at the Children's Day Out program at First Baptist Church. She also served as the wedding coordinator at the church where she showed her passion for making every bride's day joyful and stress-free.

To know Sue was to experience her energy, joy, warmth and hospitality. She had a remarkable gift for making everyone feel seen and loved. She was deeply devoted to her family and created a home that was a haven of comfort, laughter and unconditional love.

Sue's faith was the foundation of her life. A longtime active member of First Baptist Church, she and Robert faithfully taught Sunday School for over 30 years. She was passionate about sharing God's love with others and lived each day with a heart full of grace, compassion, and purpose.

Sue will be deeply missed by all who knew her, but her legacy of love, faith, and kindness will continue to live on through her family and the many lives she touched.

Sue is survived by her husband, Robert Mingus, of Weatherford, Oklahoma; her two daughters: Deleise Klaassen and her husband, David; and Erica Ward and her husband, Terry, both of Edmond, Oklahoma; as well as her seven grandchildren: Garrett Klaassen and his wife Jenna; Tristan Ward and his wife Carolyn; Tyler Klaassen and his wife Shaylin; Rahbin Ward, Taryn Geary and her husband Tim; Riley Hershberger and her husband Ethan, and Cole Klaassen and his wife, Gabby; seven great-grandchildren: Salem Klaassen, Tommy Klaassen, Emery Ward, plus Emmett, Ruby and Nora Hershberger who were born just eight hours before her passing, and Wiley Klaassen coming later this month.

She is also survived by her brother Nick Nixon and his wife Rhonda of Chickasha, Oklahoma; and sister-in-law Carolyn Jessee of Tulsa, Oklahoma.

She was preceded in death by her parents, James and Irene Nixon, and her brothers, Johnny and Larry Nixon.

In lieu of flowers, donations may be made to First Baptist Church in Weatherford, Oklahoma.

Pat Overton

John "Pat" Patrick Overton, Jr. was born on November 2, 1941, in Portsmouth, Virginia, to John Patrick Overton, Sr. and Dorothy Grace (Dunlap) Overton.

Pat grew up in Georgia, where he developed a lifelong love for sports.

In high school, he excelled in basketball, baseball, track, and tennis, graduating from Forest Park High School in 1959.

Following graduation, Pat joined the United States Air Force, serving from 1959 to 1963 in the Strategic Air Command.

While stationed at Clinton-Sherman Air Force Base in Oklahoma, he met the love of his life, Judith Carol Lanier, at a WKY Radio Teen Hop. They were married on November 23, 1960, at First Baptist Church in Weatherford, Oklahoma.

After his military service, Pat and Judy moved to Georgia, where he began working for Delta Airlines. However, Judy missed being close to family, so they returned to Oklahoma.

After returning to Oklahoma, Pat worked for Aero Commander in Oklahoma City. Later the couple made Weatherford their home. Together, they raised three sons—Pat, Brad, and Greg—in a home filled with love, faith, and sports.

In 1969, Pat began managing Weatherford Airport and opened an aircraft maintenance shop, which he operated for 10 years. He earned his pilot's license and became a flight instructor, later transitioning into charter flying.

He flew for small businesses such as Wheeler Chevrolet and Nixon Oil Company, as well as for friends and family. Pat was always willing to lend his skills—often flying youth from Falls Creek Camp back home for baseball playoffs, ensuring they missed as little camp time as possible. As a family they took many trips by private plane to visit family in Georgia and vacation in the western United States and Canada.

He and Judy were longtime, active members of Emmanuel Baptist Church in Weatherford, where Pat taught Sunday School and worked alongside Judy in the College and Career ministry for many years.

They led youth ski trips to Colorado and invested deeply in the lives of young people.

A passionate sports fan, Pat coached his sons' baseball teams and rarely missed a game or event involving his children, grandchildren, or great-grandchildren. His family was his greatest joy, and he was always there cheering from the stands or the sidelines. As an avid golfer, he developed many great friendships through thousands of rounds of golf.

Pat was preceded in death by his parents, J.P. and Grace Overton, and his brothers, Mark Overton and Don Overton.

He is survived by his beloved wife of nearly 65 years, Judy Lanier Overton; his three sons: Pat and wife Lavon Overton of Weatherford, OK; Brad and wife Chrystal Overton of Weatherford, OK; and Greg and wife Cindy Overton of Thomas, OK; as well as eight grandchildren: Jessica and husband Matt Fleming of Piedmont, OK; Colby and wife Joanna Overton of Choctaw, OK; Dillon and wife Morgan Overton of Norman, OK; Dusty and wife Catie Overton of Weatherford, OK; Tyler and wife Jaclyn Overton of Allen, TX, Cassi Overton of Allen, TX, Scott and wife Claude Overton of Weatherford, OK; and Christa Overton of Houston, TX.

He is also survived by his brother Doug and wife Lanette Overton of Wedowee, AL; sisters Kathy Fullilove of Winder, GA and Pam and husband John Gilreath of Lawrenceville, GA; and 13 great-grandchildren.

Pat was a devoted husband, loving father and grandfather, proud great-grandfather, and loyal friend. He will be deeply missed and fondly remembered by all who knew and loved him.

In lieu of flowers, the family requests donations to be made to Emmanuel Baptist Church.

Psalms for Prayer & Meditation
(Follow along with your Bible)

Jim Morrison

Psalms 15:1-2 Lord, may my walk be blameless today. May I speak the truth from the heart that I might experience the fullness of your presence.

Psalms 16:11 Father, thank you for showing me the path of life. Your presence truly does fill me with joy. The pleasure of your company is eternal and always available. Help me to recognize your presence and draw from your strength.

Psalms 17:3 Lord may my resolve me that I live so that my words be that which edify instead of bring down. Convict me of hidden faults and sins that I might more closely live a life abandoned to you.

Psalms 18:28-30 Lord, you are the light of my life. Because you stand with me, I can go forward no matter how impossible the situation seems. Your way for me is perfect, your word to me is without flaw. I ask that you would shield me from the evil one and all his delusions.

Psalms 19:14 May my greatest delight be to please you with my words and thoughts. You have given me a stable foundation and redeemed me from a life of selfishness and darkness.

Psalms 20:4-5 Holy Father, may my desires be the desires that you implant in my heart. May my plans succeed because they are your plans empowered to succeed. Give us joy in victory over Satan. Would you grant all our requests that come from a obedient heart.

Psalms 21:13 Lord, I pray that you will be exalted in and through my life and actions. May I never seek attention or praise for myself. You are the mighty one and I worship you as my King and Lord.

Psalms 22:10-11 Holy Father, since my youth you have been my God. Even now as I grow older please be near and draw my heart to you. There will be days of pain and trouble ahead and you are my help in time of need.

Psalms 23:1 Lord, thank you for the promise of your abiding presence, your guidance, and leadership. Help me to recognize when you are giving me instruction and guidance. Give me courage and the will to follow obediently and immediately.

Psalms 24:3-4 Lord, I pray that I may stand in your presence as did Isaiah, and see your holiness. Make my actions pure and my hands clean of guilt. Keep my soul from anything that would detract me from you. My I continually seek after the truth. In Jesus name, Amen.

Psalms 25:4-5 Lord, help me to build my life and destiny around your ways and your paths. Please guide me and teach me. Give me understanding and wisdom that I might bring glory to your name and cause people to trust in you.

Psalms 26:2-3 Lord, I ask for the Holy Spirit to examine my heart to convince and convict me of those times when I allow the world to squeeze me into its mold. May my focus ever be on the depth of your love for me so that I may live and respond on the basis of your truth.

Psalms 27:13-14 Lord, increase my faith so that even when I do not feel your presence, I can and will cling to your promises. Give me courage to wait upon you.

Psalms 28:7 Holy Father, I claim your promise that you are my strength and shield. I will trust in you, knowing that your help is always just a prayer away. I will sing for joy because of your love.

CORDELL / SB FINANCIALS - During the district's most recent Board of Education meeting, Cordell Public Schools Superintendent Sam Belcher gave an update on the district's finances. "Right now, the general fund is setting at \$1.27 million," explained Belcher. "Of that, building funds are at \$752,000; child nutrition is at \$47,705; and sinking funds are at \$77,261."

BECKHAM CO / HAYS - A Beckham County jury has convicted a Carter man of first-degree murder. The jury returned the guilty verdict in the murder trial of Clayton Samson Hays, who was convicted in the January 2024 shooting death of Colter Jake Vaughn of Sayre. The jury recommended a life prison sentence for Hays.

WEATHERFORD/NEW COMMUNITY CENTER Weatherford Mayor Mike Brown revealed that plans to build a brand-new Community and Aquatic Center are still moving forward, despite budget issues. "The problem is, we thought was going to be a \$30 million project; the first estimate we got was around \$40 million, explained Brown. "We haven't done any fundraising as far as for the public, and yet, we're still trying to get the plans together." A goal of completing the project has been set for 2027.

CUSTER CO / WHEAT CROP - Custer County OSU Extension Director, Larry Bryen, recently shared good news when it comes to the recent wheat crop in western Oklahoma. "There's still enough moisture where a lot of our farmers were sowing wheat, and it looks great," expressed Bryen. "If you've been watching the news, September was the 5th driest September on record. Not here in western Oklahoma, we've had some moisture, so it's been great." Bryen says the current outlook is welcome news for farmers and the local economy, as wheat remains one of western Oklahoma's most important crops.

CUSTER CO / BUDGETING DELAY - Custer County Clerk Melissa Graham says there's been a delay in completing the county's budget. "I've finished my budget and it's ready to go. [However,] we're waiting on two pieces of paper from two counties." Graham stated. "Even the [state] auditor put out a thread asking people to not make other counties wait for your exhibit Ys, the back sheet of [an organization's] budget book that tells me [any budget changes]. I have to put all of that on my levy sheet because our EMS has crossed county lines, but we're in October and we need to get our budget filed." Even at the earliest, the budget isn't expected to be finalized until the third week of October, which is later than usual for Custer County.

Conrado Diaz Ermacora and Jada Permenter have been named the latest Bulldogs of the Week. This weekly student athlete recognition is presented by Wright Media, the official partner for SWOSU athletic livestreams and radio broadcasts.

Diaz Ermacora (La Plata, Argentina) tied for third place at the Skip Wagnon Invitational, hosted by UCO.

Ermacora shot under par in all three rounds and finished nine-under for the 54-hole tournament — marking his best finish to date as a Bulldog.

Jada Permenter (Amarillo, Texas) averaged 5.5 digs per set last week, highlighted by a 29-dig performance in a four-set match against Ouachita.

That total marked Permenter highest ever in a four-set match and came just one week after she set a new three-set career high of 20 against Northwestern.

Russell-Murray Hospice Offering Nursing Care for Western Oklahomans

A terminal diagnosis is one of the hardest things to face. It’s commonly understood that each moment is precious but when you’re told explicitly that your finite amount of time is quickly approaching, the news can be overwhelming.

After receiving a diagnosis like that, families and patients alike may ask: “What’s the next step?” “What should I do?” “What’s the point?” In the wake of shattering news, a little bit of help can go a long way. Russell-Murray Hospice, Inc. is a nonprofit organization that provides in home care to patients that have a terminal diagnosis of 6 months or less.

Following the diagnosis, families who reach out following a referral will be able to meet with a supervisor to discuss their needs. After, the team goes through the medical records with the doctors

and determines the best treatment paths and equipment they’ll need. Then, the Russell-Murray team will get the necessary equipment installed and setup in the patients home, even before they’re discharged from the hospital.

The goal is always to ensure that families can focus on each other and the time they have. All other cares & worries can be handled (transportation, visits, etc.).

Russell-Murray offers in-depth and varied counselor and therapy services per patient need. If new developments come up and additional therapy, like respiratory or physical, is needed, the team comes together to discuss if it can be covered and implemented.

When providing care, the Russell-Murray caregivers can also train the patient’s primary

caregivers in specific care like wound dressing so they can ensure the comfort and care of their loved ones.

Russell-Murray Hospice, Inc. has four locations: El Reno, Weatherford, Kingfisher, and Oklahoma City. They cover a 75-mile radius from El Reno and any office can direct you to the service office for your location. They also offer extensive bereavement services for the family, including explanations and assistance in planning. Russell-Murray’s goals are to “Take care of the patient and their family, and to ensure they are able to experience these last stages together.”

When facing a terminal diagnosis, please remember that you don’t have to face it alone. “We want to help. We want to be there. It’s never too late.”

Red’s Remedies Offers a Natural Alternative to Your Health and Wellness

People want to feel good in their bodies and sometimes a different approach can make all the difference. “If you make people feel better, that changes the world just a little bit for the better,” said April, the owner and Master Herbalist at Red’s Remedies.

For over a decade, April has made it her mission to help people feel better with natural remedies and herbalism, heeding advice that’s been passed down for generations upon generations.

Living in Weatherford since 2019, April, or Red as her friends call her, started offering natural alternatives for wellbeing at festivals and gatherings around Western Oklahoma. She discovered there were several people who resonated with her approach.

“I found that there was a local demand for my products... so I wanted Weatherford to have access to alternative medicine and would see that there is another possibility that can help them feel better daily,” said April.

So April got to work and setup a brick and mortar shop in Weatherford. Located at 307 West Main Street. April’s store offers a wide range of natural remedies that she creates herself. Her products are wide ranging, from teas and herbal medicines, to skin care regimes, pain relief, and aromatherapy. April has accumulated a breadth of knowledge that she is glad to share with Western Oklahoma.

“Everything in my shop is going to be good for you. So, you have to find what would possibly work for you or your conditions and I just feel that

it would benefit everybody that has a need to feel better... I'm kind of like the tour guide.”

April is also building a repertory, or a resource guide that will help clients better find the natural remedies that suit their needs. She’s still gathering more knowledge, but she is ready and willing to share it with anyone and everyone that walks through her door. “I want to make a space where people feel heard that is founded on trust. And of course, I'm always available, you know, for questions. I love to talk about it,” said April.

You can find out more about Red’s Remedies and the products and services they offer by visiting their website at www.redsremedies.com or by visiting their storefront at 307 West Main Street in Weatherford.

Corn Heritage Offers Personalized Care to Meet Your Wellness Needs

Stop and think about someone you care about; think about the things you would do to ensure they're happy, comfortable, and looked-after. Do you see your care ending after a little bit of work, or will it continue longinto the future, through any ups & downs and rocky roads? How does the support look – is it hands on? Focused on renewing things they've lost? Or is it simply the ability to be nearby if they require help? Our loved ones deserve the best care, and at Corn Heritage Village & Rehab, they are the best.

Offering services for rehabilitation, independent living, and long-term care, Corn Heritage Village & Rehab continues to provide Nursing Home Care with “in-house benefits that you won’t find anywhere else.” As a top-quality service provider for years, their robust benefits and access to skilled nursing staff comes as no surprise.

- Some of the in-house benefits include:**
- A 24/7 Pharmacy Service
 - Resident Activities & Events (“shopping, cook-outs, arts & crafts, music therapy, & more”)
 - Rehabilitation with state-of-the-art equipment
 - 24/7 RN coverage with staff that truly treat each resident like family
- With over 70 years of experience as one of the “top rated Oklahoma nursing Home & Senior Care Communities” in the state, Corn Heritage Village & Rehab is no stranger to innovation and adaptability.
- Two of the recent ways they’ve continued to elevate their care has been with the development of their in-house memory care unit at the Corn facility. This “industry leading treatment for Alzheimer’s, Dementia, and related conditions” has unlocked new possibilities for care never seen before.

The second way they’ve elevated their care is with upgraded facilities.

You cannot focus on the future if your equipment is living in the past. The new upgrades include “modernized rooms, cafeterias, ice cream bars, and more.”

Corn Heritage is a non-profit and faith-based service provider with a high focus on personalized care and community involvement. From working with local doctors, to transportation to community shopping, activities, and outings, Corn Heritage is committed to their mission, “to provide the highest level of Long-Term Care & Rehabilitation Care in Oklahoma.”

Clinton Assuring Quality Living with High Quality Home Healthcare

Maintaining your or your loved one’s independence while dealing with chronic medical conditions can be extremely difficult and costly, so finding a balance between high quality healthcare and a high quality of life can be a daunting task. But it doesn’t have to be with Assured Home Health of Clinton.

Assured Home Health of Clinton is committed to tailoring their care to each individual patients need with a sharp focus on delivering the highest quality care possible and they’ve been doing just that in Western Oklahoma for years. “Our name has changed over the past years... but we’ve been serving Western Oklahoma for over 28 years and we’ve had pretty much the same staff for over 25 years,” said Assured Home Health of Clinton’s Executive Director Peggy Rennels.

Along with the high level of experience among

Assured Home Health’s caregivers, Assured Home Health guarantees they can provide a continuation of care for their patients whatever the situation. By directly employing their caregivers instead of relying on contractors or contract agencies, Assured Home Health ensures that you and your loved ones have the most reliable care for under any circumstance. And with most of their staff local, from Custer, Beckham and Washita counties, patients can expect caregivers to better understand their ways of life.

Another one of the benefits of choosing Assured Home Health are the resources offered by the their parent corporation the LHC Group. With five offices in Oklahoma and several others throughout the United States patients can rest easily knowing that they’ll be cared for wherever they live. “Now with

LHC, we have so many more things that are at our hands that we can get. We’ve got a diabetic program, a congestive heart failure program, a COPD program. We’ve got several programs in place that if you go from one town to another or the next state, their care can continue,” said Rennels. That continuation of care is important for maintaining the highest quality healthcare possible.

While Medicare is the primary insurance that patients usually use with Assured Home Health, they can also work with patients and their providers to keep prices manageable, and sometimes patients don’t have to pay anything out of their own pockets.

For more information about Assured Home Health and the services they provide you can call 580-323-0277, you can find them online by searching Assured Home of Clinton on any search engine.

SWOSU Football scored on its final play of regulation and needed a successful two-point conversion to force overtime, but the attempt was stopped short — resulting in a 14-12 loss to (RV) Southern Arkansas on Saturday afternoon at Wilkins Stadium.

The Bulldog's defense was the story of the day, limiting SAU to just 156 yards of total offense — the fewest allowed by SWOSU in a decade (152 vs. SNU in 2015).

The Dawgs also held the Muleriders, who entered as the conference's second-best rushing team, to just 46 yards on the ground — a season low — at just 2.6 yards per carry.

SWOSU also won the turnover battle 2-1 with a pair of first-half fumble recoveries and surrendered just one offensive score all day. Their lone turnover proved costly, however, as a third-down red zone pass was intercepted by SAU early in the fourth quarter to end a promising drive.

SAU opened the scoring on its first possession, using big plays of 23 and 43 yards to reach the end zone and take an early lead. From there, the Bulldog defense adjusted and allowed no similar drives the rest of the way. The biggest blow came on special teams. After cutting the deficit to 7-6 on Ethan McBee's second field goal of the game, the ensuing kickoff was returned 93 yards for a Mulerider touchdown — their only score of the second half and what ultimately stood as the game-winner.

Down 14-6, the Bulldogs controlled possession the rest of the way but couldn't cash in until their final drive. With 7:39 remaining, SWOSU marched 80 yards on 16 plays and capped the drive with an MJ Rivers touchdown pass to Isaac Norris in the back of the end zone with just four seconds left. The two-point conversion to tie was stopped on a Rivers keeper to the right side, ending the upset bid.

The Dawgs forced punts on all three SAU possessions in the second half, holding them to just 45 total yards after halftime. In total, they forced seven punts and five three-and-outs on the day.

SWOSU dominated time of possession, holding the ball for 43:43 compared to SAU's 16:17, and ran 83 plays to the Muleriders' 36.

The offense totaled 354 yards, going 7-for-20 on third down and 2-for-4 on fourth. Rivers finished 20-of-30 for 220 yards with a touchdown and an interception, while Baylor Nash led all receivers with four catches for 52 yards. On the ground, Red Martel carried 18 times for 77 yards as part of SWOSU's 134-yard rushing effort.

Defensively, Justus Conway and Jalen Bryant each recorded four tackles. Conway also forced a fumble that SWOSU recovered, while Bryant added two tackles for loss, including a nine-yard sack. Delmontre Pryor forced the Bulldogs' second fumble of the day.
