Margie Pewo

M a r g i e A n n Pewo, Burnt Woman “Vonahe’e” age 88, of Hammon, Oklahoma, passed away peacefully at her home on November 20, 2025, surrounded by her loving family.

Born on March 23, 1937, in McClure, Oklahoma, Margie was the daughter of John and Pollie (Romanose) Belt. She attended Hammon Schools. On September 23, 1963, she married the love of her life, her forever companion Cheyenne Chief Edwin Pewo, and together they built a beautiful life in Hammon, raising nine children, including her first grandson, Charles.

Margie had a deep passion for gardening and cherished her vibrant flowers. She was an avid collector of turquoise jewelry and antiques which decorated her beautiful yard and home. She enjoyed traveling and made many memorable trips to Taos, New Mexico. Embracing her Cheyenne ways, she played a significant role in her community by teaching the Cheyenne language to many, as she was a fluent speaker. She cherished singing Cheyenne hymns and listening to church hymns and Hank Williams Sr.

In addition to her many contributions to the Cheyenne community, she enjoyed a variety of activities. She was an expert in the traditional slicing and drying of meat, was an active walker, and loved spending time with friends and visiting the casino. Margie loved spending time with her grandkids and great grandkids, she loved watching them play basketball. Margie also served as a museum curator, reflecting her dedication to education and cultural preservation.

A lifelong member of both the Mennonite Church and the Native American Church, Margie was honored as the oldest Cheyenne Elder in the Hammon community. She remained fiercely independent and sharp-minded until her passing.

Margie is survived by her sons: Bennie Highwalker Jr., Tyrone Pewo and wife Loris, Kenneth Pewo, and Charles Highwalker; daughters: Kim Tunnell, Edwina Bullcoming and husband Wilbur, Virginia Williams and husband Boyd, and Pollie Goodman and husband John; and her adopted daughters: Melissa Goodblanket and Karen Little Coyote.

She also leaves behind 36 grandchildren, 65 great-grandchildren and 12 great-great-grandchildren, all of whom carry forward her love and legacy.

Margie is preceded in death by her parents, John and Pollie Belt; her husband, Edwin Pewo; and her daughters, Evelyn Highwalker and Johnnie Sue Greeley. Sisters Ruby Standingwater, Leona Stepp and Sharon Byrd. Special nephews Victor Orange and Rayburn Orange.

Mickeal Strickland

M i c k e a l D e a n Strickland, 72 formerly of Erick, Oklahoma was born on November 27, 1952, in Sayre, Oklahoma to Melvin Graham and Clara Mae (Smith) Strickland. Mike joined Jesus on Wednesday, November 19, 2025.

Mickeal married Cara Berry, and they had three children: Carmikeal, Terri and Sherri. He later remarried and two more children joined our family Joshua and Brooke. He loved many things in his life; he loved to fish. He even raised a pond full of catfish for his mother and girls to specially fish on! He loved fast cars and music such as Steppenwolf and Traveling Wilburys and Dolly, and Tea!

Mike was raised in Erick and lived there most of his life on his farm southwest of town where he raised beefmaster cattle which he was so proud of. He had many friends and would help anyone in need of he could. We were able to talk to some of his close friends over the last few weeks, he had so many stories!

Dad, loved his children, loved his Momma and his strawberry malts. Dad also loved his cold beer and cigs. He loved being on the farm and always talked about going back! He loved spending time on the farm raising pigs and chickens, having small gardens and just loving country life. His life changed at the age of 50 however he still was the Daddy we all knew. He was a member of the First Christian Church in Erick. We pray for peace, guidance in this sad time, and I can see my Daddy was so happy to see his Momma in heaven!

Mike was a believer in Christ, and he knew that the Lord was ready for him at the gates of heaven! He would always say, the Lord is our savior! Please keep our family in your prayer as we get through the next couple of days.

Mike had a deep personal relationship with God; he was an honest man and would lend a helpful hand to anyone in need. Mike treasured spending time with his family and friends, he will be deeply missed and greatly remembered by all who knew and loved him.

Cherishing his memory are his loving daughters, Carmikeal Hoffman of Oklahoma City, Oklahoma; Terri Streeter and Sherri Strickland both of Muskogee, Oklahoma, Brooke Murphy and her husband, Anthony of Elk City, Oklahoma; one son, Joshua Strickland and his wife, River of Elk City, Oklahoma; one sister, Meldeen Strickland of Oklahoma City, Oklahoma; seven grandchildren, DeAaron Lynn, Staten, Julia, Linkin, Dax, Asher and Proctor Graham.

Mike was preceded in death by his parents, Melvin Graham and Clara Mae (Smith) Strickland; and his sister, Eloise.

Lou Ansley

Lou Ansley passed away on November 8, 2025, in Edmond, Oklahoma. Her father, William Lafayette Blair, came to Oklahoma on horseback from Arkansas, and her mother, Louiza Nichols, drove a covered wagon from Texas in 1907, they married in 1908. Lou was born on January 20, 1921, in Elk City, one of eight children, many of whom were born in a dugout.

Lou’s parents’ determination, strength, and steadiness became evident in her personal and business career. She began sewing at age 8 and made patterns from old newspapers. After graduating from Merritt High School, she was working at a local department store when an award-winning advertising manager, William “Bill” Ansley, happened in. They married April 25, 1941, in Elk City, and Bill later served in the Navy during WWII.

After the war, Lou enrolled in a correspondence course with LaSalle Interior Design and worked for Grubitz, a local furniture store. In 1968, she and the Thornton family founded the Ansley Thornton Furniture Store, where Lou loved helping dreams come true for others. She did the interior design for the new First Baptist Church in Elk City, where she attended for 64 years. After the Thornton’s passed away, she continued to operate the store for nine more years. She sold the business in 1993, to care for Bill, who suffered from Parkinson’s.

In 2001, they moved to Oklahoma City to be near family. Leaving friends behind in Elk City was very difficult, but with a positive spirit, she built a new life in Oklahoma City and became active at Quail Springs Baptist Church. She attended church every Sunday until she was 103 ½, and at age 104, she was recognized as Quail Springs’ eldest member. She continued to cook and read for hours into her 100’s.

Growing up, Lou was grateful for her farm neighbors, Mr. and Mrs. Leonard Searight, who picked her up and took her to church where she accepted Christ as her Savior when she was 15. Her advice to others was “First join a church, study the Bible, and accept the Lord Jesus Christ.” Her greatest blessing to her family is knowing exactly where she is now, in the presence of her Lord.

She was preceded in death by her parents, siblings, and Bill, her husband of 65 years. She is survived by her daughter, Sharon Ann Willis of Edmond; a grandson Carter Wallace, his wife Ivonne, and two great grandchildren, Alex and Emma Wallace.

More 3D layouts for Weatherford’s planned YMCA facility, featuring the front lobby and an outdoor swimming pool.

YMCA

Continued from Page 1

The GPFY officially merged with the YMCA of Greater Oklahoma City in 2024, joining forces to strengthen the Y and secure its place in Weatherford for decades to come. The YMCA aims to raise between \$5 million and \$10 million from local and regional supporters. These contributions will help ensure the facility meets the growing needs of Western Oklahoma families, children, and seniors. “Our community is growing, and so are the needs of the families we serve,” said Krystal Milkeraitis, GPF YMCA executive director.

This new YMCA will dramatically expand access to early childhood education, after-school care, and youth development programs—areas where demand has continued to rise. The project is also expected to create jobs, deepen partnerships with area nonprofits, and increase the YMCA’s capacity to deliver life-enriching services to the community. “This new facility will allow us to improve the health and well-being of all ages, whether it's providing high-quality all-day care for an infant just learning to crawl or offering a water aerobics class for his 99-year-old great-grandmother. We're excited to help make Weatherford a healthier, stronger community,” expressed Milkeraitis.

The YMCA will share more details in the coming months as planning progresses.

Community members, businesses, and regional partners will be invited to play a key role in bringing this project to fruition.

CLINTON / REI DESIGNATION - Clinton Regional Hospital CEO Lyn Lacefield says the hospital has officially received its Rural Emergency Hospital (REI) designation. "[This designation] allows for the subsidy from the government to the hospital, allowing us to continue to provide great care to our community and county," explained Lacefield. "The rural health challenges have been not just reimbursement, but volume in an inpatient setting. Most hospitals in rural Oklahoma simply don't carry enough inpatient admissions since it's difficult and expensive to recruit specialists out to rural communities." Lacefield added that the REH licensure means there won't be in-patient admissions, but the hospital will continue to offer many outpatient services.

CLINTON / MOWER RETIREMENT - The director of Clinton Economic Development Authority, Roland Mower, will be retiring at the end of the year. Mayor David Berrong says the development authority will be very intentional in choosing the right candidate to fill the open position. "We've learned a lot--what works, what doesn't work--we just know that being serious about economic development in Clinton during this period of time that we're living is critical mass," expressed Berrong, "and you can't take it lightly, and it's not a whack-a-mole situation where you just [hope for the best]."

CUSTER CO / BRIDGES - A Weatherford man made a court appearance on Monday, November 17, in Custer County District Court on a charge of first degree manslaughter in commission of a misdemeanor. 24-year-old Jonathan bridges is charged in connection with the shooting death of Landon Whitley. Court records show Bridges and Whitley were consuming alcohol and dry firing their weapons when Bridges forgot he put the magazine back in his weapon and later cocked the firearm, pointed the weapon at Whitley and fired the pistol which resulted in the death of Whitley. Bridges is due back in court next month.

CLINTON / COACHING CHANGE - Officials with Clinton Public Schools say a leadership change is coming for the high school football program. Head Coach John Higbee has been relieved of his duties effective immediately. Superintendent Nathan Meget stated that the district is grateful for coach Higbee's leadership, success, time, and effort over the past 8 seasons. However, he says it's time for the Clinton High School football program to move forward in a new direction. The process of selecting the next head football coach will begin immediately.

WEATHERFORD / ROTARY - During the most recent Weatherford Rotary meeting, Colonel Kale Rogers, Commander of the Oklahoma Army National Guard's 45th Field Artillery brigade says a big event is coming up soon at the Weatherford regional training facility on Airport Road. "On December 3rd at 10am, we're going to hold a ribbon cutting...and bring the guard back to Weatherford," Rogers explained. "Hopefully, state funds can help provide that \$30 million so we can actually put a company of infantry here in Weatherford for domestic operations for when the sons and daughters need us most in Oklahoma." Additionally, in 2013, the city of Weatherford donated more than 30 acres of real estate in the industrial park to the Oklahoma National Guard for a new readiness center. City officials are hoping that project can move forward soon.

ELK CITY / STRUCTURE FIRE - Fire crews in Elk City recently worked to put out a residential structure fire in the 900 block of North Randall. Firefighters arrived to find heavy smoke coming from the roof of the residence. Crews made entry into the structure. The majority of the fire was located in the attic and was quickly extinguished. The homeowner was not home at the time of the incident. Most of the damage was confined to the area of origin in the attic. Firefighters are investigating the cause of the blaze.

‘Tis the Season for “Christmas in Corn” Event

This Saturday, November 29th, from 5pm to 8pm, come celebrate the season of cheer on Main Street in Corn as the town comes together for their annual Christmas Celebration, Christmas in Corn.

This year’s event welcomes a slate of activities that are sure to be a hit for families in and around Western Oklahoma.

For \$5, stop by the American Legion Hall and grab a bowl of borscht or chicken noodle soup and a piece of zwieback.

Drop by the pavillion on Main street for a nice cup of hot chocolate or hot cider with some schnetka. While you’re there, you can get in line for a ride on one of two carriages taking passengers around the Town of Corn to view the christmas lights around town.

Afterwards, bring the kiddos down to the kid’s

corner where they can write a letter to and get their picture taken with Santa Claus himself. And just down the street there will also be pony rides and a sheep feeding experience that kids can enjoy as well as a open fire to toast some smores.

And while you’re there make sure to check out the craft vendors set up along Main Street offering all sorts of wares that would be perfect gifts for the upcoming holiday season.

This year’s event will also host several local authors who will be offering book signings for their work and the town’s musuems will be open late for any interested visitors.

For more information about the event, call Corn’s Town office at 580-343-225 or you can visit their Facebook pafe by searching “Corn Oklahoma Happenings” on Facebook.

Landry Allen and Hailey Smith have been selected as SWOSU's Bulldogs of the Week. This weekly student athlete recognition is presented by Wright Media — the official partner for SWOSU athletic livestreams and radio broadcasts.

Allen (Tuttle, Okla.) set a new program record with nine blocks in SWOSU's 65–57 win over Missouri Southern last week. She led all scorers with 18 points and added seven rebounds and a steal to go along with the historic defensive performance.

Smith (Prosper, Texas) averaged more than 15 kills and three blocks per match during the GAC Tournament, helping SWOSU reach the championship match for just the second time in program history. She set a new career high with 18 kills in the opening-round sweep of East Central, then followed with 17 more in the final — a team high that would have matched her best if not for the ECU performance. Smith, who opened the week as a First Team All-GAC selection, was also named to the GAC All-Tournament Team for her postseason effort.

SWOSU Bulldogs Fall at Oklahoma Christian in Third Game of 2025

Jon Chidester
SWOSU Media Relations

A late surge by Oklahoma Christian proved to be the difference on Saturday, as SWOSU fell 68-60 on the road. The Bulldogs held a 57-55 lead with just over four minutes remaining, but the Eagles responded with a decisive 9-1 run that flipped the game and pushed them across the finish line.

SWOSU led 26-25 at halftime before cooling off in the second half, shooting 35% from the field and 3-of-19 from three over the final 20 minutes. OCU countered with 58% shooting after the break, including six made threes, to outscore the Dawgs 43-34 down the stretch. Three Bulldogs finished in double figures, led by Kayden Carter's 18 points. Ty Frierson added 15 points and a team-high seven assists, while Tobias Roland posted his first double-double of the season with 12 points and 11 rebounds.

The loss drops SWOSU to 1-3 on the young season. The Bulldogs now turn their attention to Tuesday's home opener against Science & Arts of Oklahoma (USAO) on November 25 before Thanksgiving Break.

SWOSU Volleyball Ends in Champions Match

Jon Chidester
SWOSU Media Relations

SWOSU Volleyball fell short in the GAC Championship game to Oklahoma Baptist in straight sets on Saturday afternoon.

The Dawgs finish the year 16-15 overall and 12-4 in conference play. This was their first appearance in the GAC Tournament final since 2015 where they took home their lone tournament championship.

The first set was a back-and-forth affair with neither team having more than a three-point lead until the game sat at 16 on each side. OBU then caught fire and went untouchable, scoring the final 10 points to take a 1-0 lead in the match. Oklahoma Baptist hit a blistering .429 to the Bulldogs' .114, and each team had two blocks.

The second set opened on a similar track with the Bison taking the opening three points. The Dawgs narrowed the margin to two but could never get over the hump. The middle part of the set featured a 7-0 run by Oklahoma Baptist that broke it open, and a late push by the Dawgs ended the set 25-20 in favor of OBU.

In the third and final set, the Dawgs couldn't string together enough points to build momentum, but they stayed close enough to keep it competitive. It was a two-point game with OBU up 22-20 before the Bison earned their first match point at 24-21. The Bulldogs had to fight off three match points to stay alive, just as they did in their semifinal match yesterday. They managed to do it again, winning the next three points to tie the set. However, the magic ran out, and the Bison took the final two points to close the match.

The Bison finished with 55 kills to the Bulldogs' 39, while SWOSU hit .205 compared to Oklahoma Baptist's .294. The Dawgs recorded five service errors and four service aces.

Hailey Smith led SWOSU with 17 kills and no errors, finishing just one shy of her career high set in the quarterfinal win over East Central. Mackenzie Sims handed out 33 assists alongside three kills and six digs, and Jada Permenter collected a team-high 16 digs. Smith and Permenter were named to the All-Great American Conference Tournament Team at the conclusion of the match.
