**50<sup>th</sup> ANNIVERSARY** 1970-2020 **Caulkins Conoco**

Caulkins Conoco 50 years ago located in front of United Super Market, directly across from the current location on Main in Weatherford.

Provided

2020 is a big year for Caulkins Conoco in Weatherford. The full service station and convenience store is celebrating a special anniversary this year. The Caulkins family has been proudly servicing the Weatherford area for 50 years this year. They've seen the town undergo major changes during their time; and throughout those changes, they've still maintained the same high-quality customer service they're known for. A little bit of Caulkins history: The business started back in 1970 downtown as a "City Services" station by brothers Bob and Kenneth. From '70 - '74, they were located across from what is now the Sonic, and they functioned as a gasoline service station. In '74 they moved to the Gulf station, which is current day Domino Express. Soon after that they acquired the Texaco, which is now the location of QDOBA. They had both locations opened '74 - '78. In July of '78, Bobby operated the Texaco and his dad stayed at the Gulf as Kenneth retired from the business to go full time at fire department. Within the next year, they let the Texaco go and in 1982 Bobby and his dad teamed up and ran The Gulf until 1994 when Bob Sr. retired. Then, in 1994, Caulkins Conoco's current location opened its doors to the public. They added the first quick lube in town in '98 and continued as a full-service location. In 2002 they added 2 more bays and more service options. Nowadays, Caulkins is a one-stop-shop for many locals who will always enjoy their efficient and fairly priced services. Caulkins has enjoyed serving the community for 50 years and look forward for many years more to come.

# SWOSU Student Honored as Newman Civic Fellow

Campus Compact, a Boston-based non-profit organization working to advance the public purposes of higher education, has announced students who will make up the organization's 2020-2021 cohort of Newman Civic Fellows, and Southwestern Oklahoma State University student Natanya Hernandez of Edmond has been selected.

The Newman Civic Fellowship is a yearlong program for students from Campus Compact member institutions. The students selected for the fellowship are leaders on their campuses who demonstrate a commitment to finding solutions for challenges facing communities locally, nationally and internationally.

At SWOSU in Weatherford, Hernandez serves as the multicultural coordinator, which allows her access to students who may not feel empowered within their culture. She has developed programs and events that connect students to resources to support their pride in heritage, culture, ethnicity and race.

"Building relationships with high schools in surrounding cities also provides me opportunities to encourage under-

represented students to pursue an education that produces pride in their own accomplishments," Hernandez said. "It is a great joy to create these connections and see students and peers flourish when they are provided with opportunities they were never given before."

The fellowship is named for the late Frank Newman, one of Campus Compact's founders, who was a tireless advocate for civic engagement in higher education. In the spirit of Dr. Newman's leadership, Campus Compact member presidents and chancellors may nominate one student from their institution for the fellowship.

Through the fellowship, Campus Compact provides the students with a variety of learning and networking opportunities that emphasize personal, professional and civic growth. Each year, Fellows are invited to a national, in-person conference of Newman Civic Fellows and participate in numerous virtual training and networking opportunities. The fellowship also provides fellows with pathways to apply for exclusive scholarship and post-graduate opportunities.

## \$150,000 for a Silver Dollar

On February 20, 2020 a coin auction was held in Long Beach, California. The star of the event was an 1893-S Morgan silver dollar.

It was certified by the Professional Coin Grading Service (PCGS) Mint State 62. A total of three silver dollars dated 1893-S were in the same auction. The one pictured above was the best of the lots.

The total mintage figures for an 1893-S is 100,000 coins. The three coins were found in a mint bag of uncirculated 1894-S silver dollars. All mint state dollars command a six-figure price.

This 1893-S sold for \$150,000 and is considered a "cheap" price.

## Lady Bulldogs Claim Third Consecutive National Tournament Berth

**Doug Self**  
SWOSU Sports Information Director

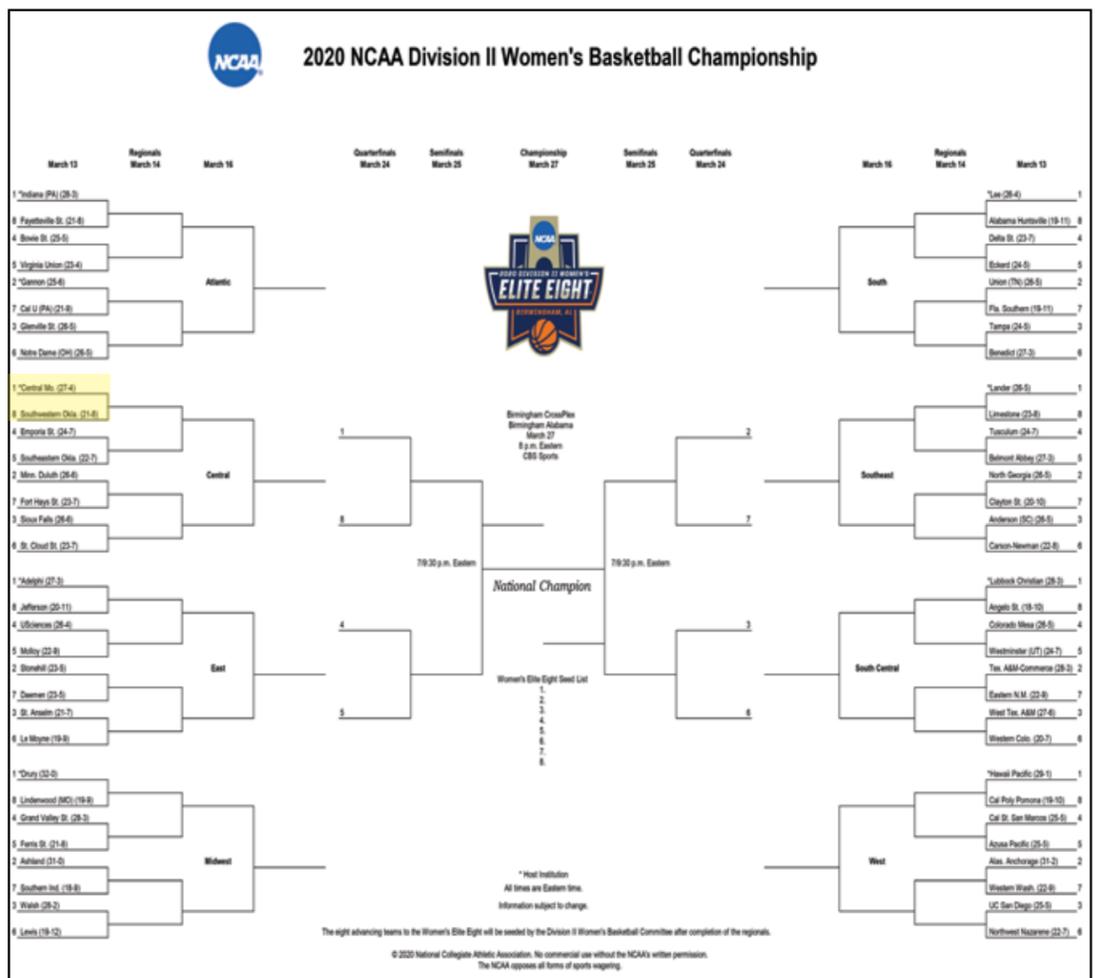

The reigning champions of the Central Region will have an opportunity to defend their crown after SWOSU claimed the No. 8 seed for the regional tournament, which will take place on March 13-16 in Warrensburg, Missouri.

This is the third consecutive year the Lady Bulldogs have been in the national tournament field and the fifth time in program history they've qualified for the NCAA postseason.

As the No. 8 seed, SWOSU earns a first-round date with regional host Central Missouri, who earned the right to host the tournament at the UCM Multipurpose Building, where they are 13-0 this season. The Jennies are 27-4 on the year, won the MIAA regular season and tournament championships and they enter the postseason on a nine-game winning streak. The Lady Bulldogs are 2-0 all-time against UCM in the Central Regional, claiming a 73-71 victory in 2013 before winning a memorable 75-72 victory in the regional semifinals last season.

SWOSU is joined in the field by fellow Great American Conference member Southeastern Oklahoma State, who defeated Arkansas-Monticello in the GAC Tournament final on Sunday to earn the league's automatic bid. As the No. 5-seed, Southeastern will face Emporia State in the quarterfinal round. The other side of the bracket includes Minnesota Duluth vs. Fort Hays State and Sioux Falls vs. St. Cloud State in the quarterfinals.

Head Coach Kelsi Musick has now guided the Lady Bulldogs to five NCAA Division II National Tournament appearances, with each coming since 2013. SWOSU is 6-4 all-time in the NCAA Tournament, which includes a run to the national championship game last season.

## Aska, Tramble Highlight Lady Bulldogs Four All-GAC Selections

**Doug Self**  
SWOSU Sports Information Director

SWOSU senior guard Tyra Aska picked up her fourth consecutive All-Great American Conference selection and second straight First Team nod while Makyra Tramble was named the GAC Freshman of the Year and a Second Team selection on Wednesday night at an awards ceremony preceding the 2020 GAC Tournament.

The duo was joined on the team by Taber Beer and Bethany Franks, who both earned Honorable Mention, giving the Lady Bulldogs a league-leading four all-conference selections. SWOSU also had one GAC Distinguished Scholar Athlete in Dovile Štrimaityte.

Aska (Meridian, Okla.) becomes the fourth four-time All-GAC selection in conference history and the second from SWOSU, joining former teammate Hailey Tucker. This is the second straight year that Aska, a former GAC Defensive Player of the Year, earned a selection to the First Team and she does so as SWOSU's second-leading scorer at 11.4 points per game. She also ranks second on the team in assists and third in rebounds and steals. Earlier this season, Aska was named to the GAC's inaugural All-Decade Team

and she enters the GAC Tournament ranked fifth in school history in scoring with 1,551 career points and second in both career steals and assists.

Tramble (Shawnee, Okla.) burst onto the scene in her first collegiate season and becomes the first Lady Bulldog since Tucker (2016) to claim the GAC's Freshman of the Year award. She finished the regular season ranked second in the conference in scoring (15.8 ppg), fifth in rebounding (7.7 rpg) and sixth in steals (2.4 spg). Tramble has scored in double figures 25 times in 27 games this season, with eight 20-point games to her credit, and she's hit 62 three-pointers, the fourth-most of any player in the conference.

Beer (Hammon, Okla.) picks up her first career All-GAC selection following a junior season which has seen her rank fifth in the conference in assists (4.1 apg) and fourth in assist/turnover ratio (1.4/1). She also ranks fifth on the team in scoring at 10.0 points per game after scoring in double figures 17 times this season, with a season-high of 20 points at home against Henderson State.

Franks (Norman, Okla.) earns a spot on the All-GAC

team for the second straight season after again filling up the stat sheet as a junior. This season, she ranks second in NCAA Division II with 102 steals (3.6 per game), which is three away from breaking the single-season record she set last season. Franks has recorded three double-doubles this season and she ranks as SWOSU's fourth-leading scorer (10.3 ppg) and second-leading rebounder (7.5 rpg).

Štrimaityte (Palanga, Lithuania) earns her second consecutive Distinguished Scholar Athlete award after her senior season. She is set to graduate from SWOSU in July with a degree in Biological Sciences and then plans to pursue a Master's Degree in Biomedical Engineering at the University of North Texas beginning in August.

SWOSU has now received a league-leading 27 All-Great American Conference selections in the nine-year history of the conference, including 13 First Team All-GAC selections and 13 specialty awards. The Lady Bulldogs open up play in the 2020 GAC Tournament on Friday night at 8:00 pm, facing Arkansas-Monticello in the quarterfinals.

White (Moore, Okla.) homered twice on Saturday against SAU with one in each game of the doubleheader. He hit .214 for the week with three hits and five RBI and his three-run home run in the six-run fourth inning of the series finale helped propel the Bulldogs to the 8-2 victory.
