Tom Byrum

Tom was born December 3, 1935, in the original Cedar Canyon Community, southeast of the Hydro Community. Tom was the youngest and 6th son of Ozzie Tillman Byrum Sr. and Ada (Thomason) Byrum and passed away Monday, November 22, 2021, at Corn Heritage Village of Corn, at the age of 85 years, 11 months and 19 days.

Tom started to school in a rural school in the Bethel Community until the 4th grade when the family moved to the Hydro Community. He graduated from Hydro High School in 1954, and upon graduation he enlisted for the military draft. Tom entered the US Army in December 1954. After basic training, Tom spent 18 months of his military service in Germany. He was honorably discharged in December 1956.

Tom attended Blackwood Business School after his discharge from the Army and worked at several jobs until 1964, when he became employed in the telephone industry. Tom married Judy Dick on May 17, 1965. They traveled with Tom's work and lived in many places including Missouri, Idaho, Oklahoma, Iowa, Michigan and Colorado. Their son Tab was born in December 1966. They all loved the construction business and the travel. In 1970 Tom took a job at Cimarron Telephone Company in Mannford, Oklahoma. He had previously done construction for the Goatcher family and Cimarron. They loved living in Mannford, had a wonderful church family and Tom loved the lake community. It was always his intent to return to western Oklahoma, and the opportunity presented itself in 1981 when he went to work for Hinton Telephone Company. Tom worked for Hinton Telephone until 2016 when at the age of 80 he retired. He loved the telephone industry and the people that he worked with and was sad to see that chapter end. Tom was an avid quail hunter and always had a bird dog that was his pride and joy. Fishing and hunting brought him so much happiness, and he was sad to reach a place where he wasn't able to be out of doors and do what he loved. Tom managed to hold on to the major portion of his family's farm and wanted to go for a ride and check on the farm daily as long as he was able to ride in the pickup. Tom suffered a stroke in September 2021 and has spent the last portion of his life at Corn Heritage Village in Corn.

Tom is survived by his wife of 56 years, Judy Byrum of their home in Hydro; his son Thomas A. "Tab" Byrum, Jr.; three sisters-in-law Linda Baker and husband Everett, Rita Kimble and Deborah Szynowiak; many nieces, nephews and extended family. He was preceded in death by his parents and his brothers Bill, Ozzie Jr., Lloyd, Jake and Homer.

Memorials may be made to the Hydro 1st Responders or to the Corn Heritage Village Golf Cart Fund.

Hey, I'm 88

Written by:
Maxx McCullough
"When She was 80"

HEY! I'M ~~21..22..23..24..25..26..27..88!~~
What's happening?

My steps are a little slower,
My steps are a little lower,
causing a slight stumble at times.

My mind is a lot slower,
Not so quick to grasp a name, a date,
or a slightly recognizable face.

Yet, I'm self-deprecating, laughing -
Hey! I'm old!

Inside, I'm the same,
Funny how that happens,
that realization is totally lost on the young

I fear I've grown old and my children aren't fully aware,
not wanting to accept.

Mom's fine. Probably be here forever -
strong, independent, reliable, self sufficient.

Actually, mom's failing somewhat, reminiscing,
questioning life's decisions, past clearer than the present.
Happy, concerned, content, restless, blessed.

Hey! I'm 88!

Bulldogs Have Three Named to D2CCA All-Region Team

Jon Chidester
SWOSU Assistant AD/Media Relations

SWOSU Soccer had three standouts placed on the Division II Conference Commissioner's Association (D2CCA) All-Central Region team, announced recently.

Nicole Petrino was named a first team selection, while Brianna Benitez and Elizabeth Moreno were both placed on the second team.

Petrino, fresh off being named the GAC Defensive Player of the Year and a first team all-conference selection, earns the first all-region nod of her career.

Moreno, a first team all-conference player this season, has now been named all-region by the D2CCA twice after having also picked up second team honors back in 2019.

Benitez, also a first team all-conference player, led the SWOSU offense in scoring and assists and

receives second team honors as well.

With the selections, SWOSU has now had 18 D2CCA All-Central Region honorees since 2012.

The D2CCA All-Region teams are voted on by the region's Sports Information Directors. The 13 first-team honorees will now advance to the national ballot, and the announcement and distribution of the All-American Teams will be Dec. 11.

The D2CCA encourages and promotes DII athletics and high standards of sportsmanship as important elements of higher education. The CCA is a key communications link among the conferences as they discuss views, policies and regulations that impact DII intercollegiate athletics and works closely with the NCAA as a communications channel to NCAA DII member colleges and universities.

Bulldogs Bested by #6 West Texas A&M

Jon Chidester
SWOSU Assistant AD/Media Relations

SWOSU Men's Basketball was unable to get anything going against No. 6-ranked West Texas A&M and fell to the Buffs 79-56 on day two of the Pak-A-Sak Thanksgiving Classic.

SWOSU dug themselves a hole too deep, too early, against the Buffs. Their largest deficit in the game came in the first half, as the visiting Dawgs trailed 43-17 with 2:30 left before halftime.

In the second half, a 9-1 run got the Dawgs within 13 points around the midway point, but the margin proved to be too steep. The Buffs answered and pushed the lead back to 20-plus points where the game remained the rest of the way.

The Bulldogs were held to 32% shooting from the field, compared to WTAMU's 48%. SWOSU also lost the turnover battle 17-9 but did out rebound West Texas A&M 43-38.

Kamden Gipson was SWOSU's lone double-digit scorer. He finished with 14 points on 4-of-11 shooting including 3-for-7 beyond the arc and had a team best two assists. Ben Smith grabbed a team high eight rebounds.

Up next, will be Great American Conference action beginning Thursday, December 2nd at home against Southeastern.

SWOSU Sweeps Pak-A-Sak Classic to Close Out Non-Conference Play

John Chidester
SWOSU Assistant AD/ Media Relations

The Lady Bulldog Basketball Team made it two wins in two days against Rocky Mountain Athletic Conference (RMAC) opponents after an 87-71 victory over Fort Lewis College on Saturday.

Double-digit leads have been very familiar for SWOSU during their now five game winning streak, and this afternoon was no different. The Lady Bulldogs used a 10-0 run near the end of the first quarter to grow the lead, and an 11-2 run to solidify it and close out the first half. At halftime, SWOSU led 48-35.

In the game's final 20 minutes, the margin fluctuated between 10-17 points and only dipped into single digits for a two-minute time frame near the end of the contest. The Skyhawks knocked down a three with 4:40 left to play that put them within nine at 80-71, but SWOSU would score the game's final seven points to eliminate any threat of a comeback.

Karly Gore stuffed the stat sheet Saturday, finishing with 13 points, nine rebounds and seven assists – one rebound shy of a double-double. Makyra Tramble scored a team high 27 points and added seven rebounds. Lauren Ramey finished with 15 points and Morgan Smith chipped in 12 off of the bench.

As a team, SWOSU shot 46% (33-of-71) and 36% (13-of-36) from three-point land. Fort Lewis had success offensively as well and finished at 43% shooting as a team but could not handle the Lady

Dawg defensive pressure and committed 20 turnovers on the afternoon.

SWOSU (6-2) will now turn their attention to conference play. The Lady Bulldogs will open up Great American Conference action this Thursday

(Dec. 2) against Southeastern inside the Pioneer Cellular Event Center in Weatherford. They'll then turn around and host Oklahoma Baptist on Saturday (Dec. 4). SWOSU's next four games will all be in front of a home crowd and will all be GAC contests.

"The Coin Guy"
Persistence Pays Off

Trent Boesen

There are some collectors who collect coin simply by going to a bank to buy rolls of coins from cents to half dollars. They use this opportunity to search for certain coins such as errors. This story is about a collector in Maine who found a rare example of a mint mistake.

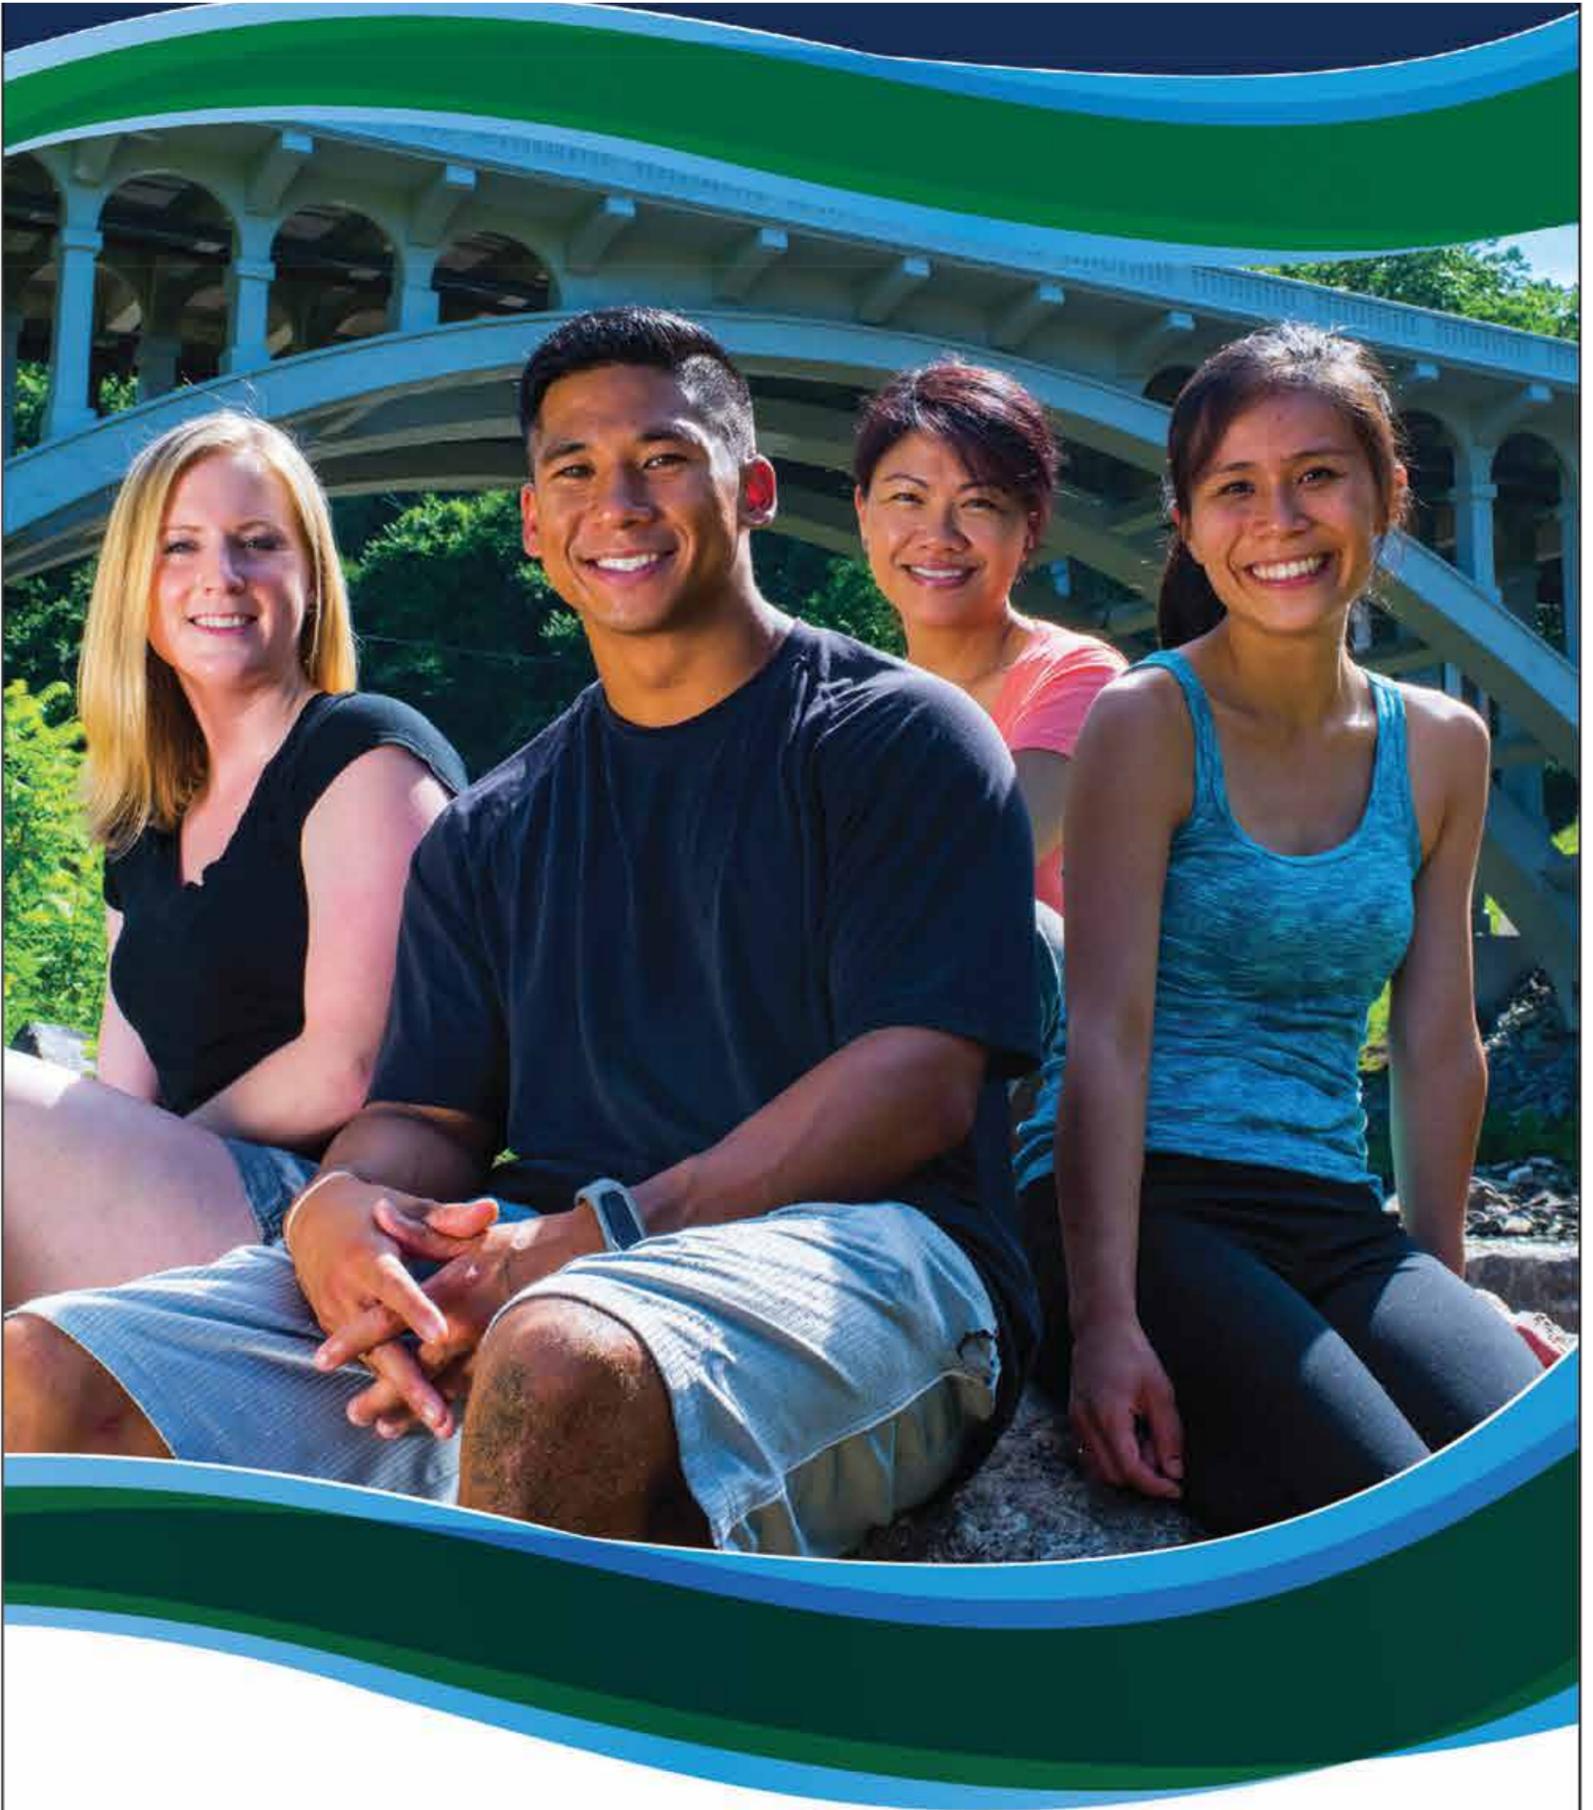

For 25 years this collector had been searching through rolls of half dollars looking for a 1977-D Kennedy half dollar with a silver-copper clad planchet. The Denver mint in 1977 struck 31,449,106 coins thought to have been all copper-nickel composition. This collector found one with 40% silver.

It is believed that 40% silver blanks used to strike the Bicentennial Kennedys (1776-1976) in San Francisco were transferred to the Denver mint. Experts believe about 12 of the silver-copper clad are known to exist.

In September of 2021 this collector found one of the coveted half dollars in Texas. It was certified by the American Numismatic Association Coin Service (ANACS) as Almost Uncirculated (AU) 58.

A 1977-D half dollar in AU 58 last sold on April 26, 2018, for \$6,600.

Do you need to sell your collection for extra money during the coming holidays but did not know who to ask? Call The Coin Guy at 580-890-8076 for assistance. Thanks for reading.
