## SWOSU to Dedicate General Thomas P. Stafford Archives on January 23

Southwestern Oklahoma State University (SWOSU) with locations in Weatherford, Sayre and Yukon has scheduled the dedication of the General Thomas P. Stafford Archives for Sunday, January 23, at 2 p.m. at the Al Harris Library on the Weatherford campus.

The archives will utilize the latest in preservation technology and techniques to house sensitive historical documents and papers and will highlight Stafford's lifetime of achievements.

"We are deeply honored that our longtime benefactor and partner, General Thomas P. Stafford, has designated the Al Harris Library here at SWOSU as the repository for his papers and historic documents," said SWOSU President Dr. Diana Lovell.

Lovell said the Stafford Archives are a splendid addition to SWOSU's rich heritage in aerospace and defense education and accomplishment.

"The General's vision, generosity and involvement have equipped us to build a facility that will serve as a world-class repository for researchers, historians and students to study the incredible work and events to which the General has been central over his many decades of public and military service and scientific and corporate leadership," Lovell said.

A Weatherford native, Stafford established the Stafford Air & Space Museum in 1993 with two rooms near the Weatherford airport (which is also now named for Stafford). Today, the museum is a Smithsonian affiliate and preserves over 63,000 square feet of historic information and educational resources.

"Stafford is a renowned Oklahoma Hall of Fame laureate who is the first NASA astronaut to ever become a General and was the first General to fly in space," said SWOSU Libraries Director Jason Dupree. "His work was essential to the development of stealth technology, and his longtime friendship with Soviet Cosmonaut Alexei Leonov stands out as a beacon of cooperation amidst the tensions of the Cold War. Our SWOSU students for generations to come will learn so much from General Stafford's life, work and example."

Stafford also established the Stafford Endowment at SWOSU in 1992 which was, at the time, the largest single gift ever made to the university. The endowment continues to provide a unique experiential learning

program for SWOSU's prestigious Stafford Scholars, over 165 of which have been designated to date. The Stafford Scholars program represents a positive, valuable ongoing collaboration between SWOSU and the Stafford Air & Space Museum.

General Stafford, who received SWOSU's first-ever honorary doctorate in 2015, will make remarks at the dedication of the archives.

He will be joined by Oklahoma State Representatives Rhonda Baker, Mike Dobrinski, and Anthony Moore, and Oklahoma State Senators Brent Howard, Darcy Jech, and Jake Merrick, all of whom represent the SWOSU service area which stretches from the Texas border in western Oklahoma to the western suburbs of Oklahoma City in Canadian County.

Regent Connie Reilly, chair of the Regional University System of Oklahoma Board of Regents, will address the participants.

United States Senator Jim Inhofe (Oklahoma), who serves as Ranking Member of the Senate Committee on Armed Services, and United States Congressman Frank D. Lucas of Cheyenne (OK-3), who serves as Ranking Member of the House Committee on Science & Technology, are also scheduled to speak.

Former SWOSU Presidents Dr. Joe Anna Hibler and Dr. Randy Beutler, along with Linda Hays, wife of the late former SWOSU President Dr. John Hays, will also be present along with longtime Weatherford Mayor and SWOSU alumnus Mike Brown.

Seating space at the event is extremely limited and due to ongoing public health concerns, the event is invitation-only.

**Joe Winston Trent**

Joe Winston Trent was born March 12, 1943, the 2nd son born to L.W. Jr., & Nena Trent at Elk, Oklahoma. The family lived in Hammon and operated "Trent Drygoods." Winston played all sports in school. The family moved the business to Weatherford after his 8th year. He continued to excel in sports and academics. He graduated in 1961 and started attending college at S.W.O.S.U. During this time, he met Janey Wilson, they fell in love and had wedded bliss for 55 years. He graduated with a master's degree in Education and Physical Science. On March 13, 1964, they had their 1st born son Kevan. The family moved to Mountain Park, Oklahoma, where Winston coached and taught school. They moved to Fargo and a 2nd son, Jobey was born October 27, 1968. They then moved to Canton and Drummond over a 7-year span. In 1974, they moved to Weatherford, where Winston worked at 3M and Janey worked at Trent's Fabric and Winston worked into management. An opportunity arose so the Trent's started a Family-Owned Oilfield business. They traveled all over Oklahoma and the Texas panhandle, "Starbright Inc." worked for 13 years. Winston moved to Carnegie, Oklahoma in 1997, where he had a fifteen-year career in coaching. He coached football, basketball, baseball, slow pitch and fast pitch softball, track volleyball and was known affectionately by everyone as "Coach Trent"

Winston retired in 2012 to be a full time caregiver for his ailing wife Janey. After many hospitalizations and surgeries, she declined. The tragic passing of her youngest, Jobey, on July 6, 2017, brought Kevan to help. They were the best caregivers she could have had. She passed away on August 3, 2019, with Winston and Kevan by her side. Winston's health declined in 2020, and he was diagnosed with Chronic Kidney Disease Stage 5. He became dialysis dependent, and he and Kevan made many trips together. June 12, 2021, a fire ravaged their home at 2:00 AM. The home was a total loss. They lost everything, but they survived. Winston rehabbed in the hospital for 30 days and health deteriorated again, and he died in his home in Anadarko with Kevan by his side on December 26, 2021, at 9:04. Dad was a true patriarch of my family. He was the most devoted, loving, caring, dedicated, consistent, smartest man I ever have known. He will have no more pain. I envy his glorious reunion in Heaven with Mom, Jobey, Grandma & Grandpa Trent, Grandma Ruth, and all Believers in the Presence of Almighty God. You earned your wings and your Angel-Status Winston Trent, a faithful and willing servant to Jesus. Rest in Peace and dance with Mom.

Survivors include: his 1st born son, Kevan Trent, his older brother Luke Wendell Trent, sister-in-law Linda, nieces Marcia and Cyndee Trent, Grandchildren; Dylan Luke Trent, Ashton Luke Trent and his wife Addie, Great Granddaughter Sadie Elise, Granddaughter Devin Mackenzie Trent and Great Granddaughter Noelani, as well as many other relatives and friends.

Winston was preceded in death by his father, L. W. Trent Jr., his mother Nena Trent Holliday, his wife Janey Lynn Trent, and his 2nd born son Jobey Kent Trent.

Special thanks to the Elara Home Health and Hospice.

## I WAS JUST THINK'N

**Maxine McCullough**  
Staff Writer

My mode of dress has taken a drastic turn. When you combine the pandemic, a bad back, age and a walker, you tend to change a lot of things in your life. I don't know about other old women but I choose to go for comfort. I have my own line of clothing now, sweat pants, socks and vintage t-shirts. It's the "MAXimum comfort" line. Now, I'm not talking about those cute sweat pants with matching t-shirts that you'd be proud to wear on a jog or to the grocery store. Oh no, my vintage t-shirts say things like Wright Wradio1998, Weatherford Eagles 2000, Binger Heritage Day 1996 and a variety of Hydro Free Fair t-shirts of various years and colors. Now, as far as sweat pants, you've got your just below the knee, the halfway from the knee to the ankle and then you've got your ever popular full length sweat pant. A variety of choices! Now what can I say about socks? There's nothing like pulling on (if you can reach your foot) a warm pair of socks on a cold winter day, my socks are all colors and designs, my favorites being the ones my son-in-law gives me put out by Snap-On tools. There you have it, the MAXimum comfort line. I think you'll enjoy these ensembles. Now I didn't say anything about how attractive these are. That's not the point. Enjoy!

## Dr. Lincoln Brown Named Graduate Program Director at SWOSU Dobson SBT

Dr. Lincoln Brown has been named director of graduate programs for Southwestern Oklahoma State University's Everett Dobson School of Business and Technology (Dobson SBT) in Weatherford.

As graduate director, Brown will focus on recruitment of new students as well as advising current students who are pursuing master's degrees in business. Dobson SBT currently offers two graduate degrees: Master of Business Administration (MBA) and Master of Science in Management.

"The graduate student journey is an experience like no other," Brown said. "It was a transformational time in my life, and I am honored to witness this firsthand with our SWOSU students. Earning a business graduate degree signals to employers that you are committed to life-long learning and willing to go above and beyond to reach objectives."

Brown entered academia following a 22-year career in the aircraft industry as a programming engineer and as an entrepreneur who founded and operated seven businesses. Brown earned a Ph.D. in entrepreneurship from Oklahoma State University under the direction of Dr. Robert Baron, whose distinctions include being one of the most impactful entrepreneurship scholars in the world with research cited more than 165,000 times.

Brown's research interests include the Entrepreneurial Opportunity, Rural Ecosystems for Entrepreneurial Development, and Stakeholder Emergence. His research has been published in top ranked journals like Journal of Business Venturing Insights, in book chapters and blogs. Brown serves on the Scholar-Practitioner Committee for the Entrepreneurship Division of the Academy of Management.

He is a huge supporter of SWOSU athletics and is involved in many campus activities. Brown and wife Joan have six active grandchildren in the Tulsa area, ages 6-14. They are members of a church called the Table in Oklahoma City.

"We are happy to have Lincoln Brown serving as the graduate Director of Dobson SBT," said SWOSU Associate Dean Dr. Patsy Parker. "I believe he has the talent to grow our master's programs in business and serve the population of graduate students very well."

The flexibility of SWOSU's graduate programs allow students to arrange courses around their work and family schedules. The MBA can be completed online with 8-week or 16-week courses, making it possible to finish in a year. Anyone interested in pursuing a graduate degree in business should send an email to lincoln.brown@swosu.edu.

**The Pearl of Great Price**

I first heard this parable from Sam Cantata, a missionary speaker at a student conference years ago. It is taken from the 13th chapter of Matthew. It describes a pearl buyer who has searched the world over for the perfect pearl. When he found it, with great excitement he inquires of the owner:

*"I WANT THIS PEARL! How much is it?"*

*"Well, " the seller says, "It's very expensive."*

*"But how much?" He asked.*

*"Well a very large amount."*

*"Do you think I could buy it?"*

*"Oh, of course, everyone can buy it."*

*"But ,didn't you say it was very expensive?"*

*"Yes."*

*"Well, how much is it?"*

*"Everything you have," says the seller.*

*"I've up my mind, I'll buy it, he says."*

*"Well, what do you have?" He wants to know, "Let's write it down."*

*"Well, I have ten thousand dollars in the bank."*

*"Good, --ten thousand dollars. What else?"*

*"That's all, that's all I have."*

*"Nothing more?" the seller says.*

*"Well, I have a few dollars in my pocket."*

*"How much?"*

*He starts digging, "Well, let's see, I have \$40 dollars."*

*"That's fine. What else do you have?"*

*"Well, nothing. That's all."*

*"Where do you live?"*

*"In my house, he replies."*

*"One house" and he writes it down."*

*"You mean I have to live in my camper, the buyer exclaims!"*

*"Oh, you have a camper too, then." "That, too. What else?"*

*"I'll have to sleep in my car!"*

*"You have a car?"*

*"Two of them."*

*"Both become mine, both cars. What else?"*

*"Well, you already have my money, my house, my camper, my cars. What more do you want?"*

*"Are you alone in this world."*

*"No, I have a wife and three children..."*

*"Oh, yes, your wife and children, too. What else. I have nothing left! I am left alone now."*

*"Oh, I almost forgot! You yourself too! Everything becomes mine--wife, children, house, money, cars, and you too."*

*Now listen--I will allow you to use all these things for the time being. But don't forget that they are mine, just as you are. Whenever I need any of these you must give them to me because now I AM THE OWNER."*

*"Again, the kingdom of heaven is like a merchant looking for fine pearls. When he found one of great value, he went away and sold everything he had and bought it." Matt. 13:45, 46*

*I Corinthians 6:19b-20 "You are not your own,; you have been bought at a price. Therefore honor God with your body."*

## Makrya Tramble Picks Up GAC Player of the Week Award

**Jon Chidester**  
SWOSU Assistant AD/Media Relations

SWOSU's Makrya Tramble has been named the Great American Conference Player of the Week, announced Monday from the conference office.

Tramble lit up the scoreboard in both games for the Lady Bulldogs last week. In their 97-54 blowout win over Arkansas Monticello, she posted her first double-double of the season by scoring 20 points and picking up a career best 10 assists. Two days later in an 85-72 win over Southern Arkansas, Tramble followed up with a 32-point scoring performance on an efficient 50% (13-of-26) shooting.

Those 32 points were the second time she has scored more than 30 points in a game, with the other coming back on February 13, 2021, against Oklahoma Baptist when she notched 33.

This is the second GAC Player of the Week honor Tramble has earned this season and the sixth of her career. Teammate Karly Gore has also picked up one such honor this season. SWOSU leads the conference in women's player of the week awards this season.

## Fast-Paced Matchup vs Reddies Favorable for Lady Bulldogs

**Jon Chidester**  
SWOSU Assistant AD/Media Relations

The No. 17/22-ranked Lady Bulldogs nearly hit the century mark Saturday afternoon against Henderson State, defeating the Reddies 99-78 for their 13th consecutive victory.

On paper this matchup was set to be an offensive showdown, with both offenses ranking in the top 10 in NCAA Division II in offense by averaging more than 80 points per game. It was the Lady Bulldogs though who got the better of the matchup on Saturday.

SWOSU shared the basketball very well, with 10 different players scoring a basket. Both Macy Gore (19 points, 10 rebounds) and Bethany Franks (16 points, 15 rebounds) each recorded a double-double. Gore even flirted with a triple double, finishing with eight assists. Karly Gore matched her sister in points, also finishing with 19.

The first half was all offense with both squads wasting no time getting up and down the court. Both teams had runs in the beginning quarter, but SWOSU led 23-19 after 10 minutes.

The second quarter featured eight points off the bench from Layni Zinn, which helped SWOSU build a double-digit lead at halftime.

SWOSU had no trouble scoring thanks to an offense that was clicking. They shot 52.6 percent from the field and 50 percent from beyond the arc in the first half and led 53-43 at halftime. 53 points is the most points SWOSU has scored in a half all season – matching their second half point total against Ouachita.

SWOSU took charge in the third quarter with an 11-2 run with Karly Gore scoring nine of those

points. The home team doubled their lead in the third quarter and was ahead 74-54 going into the fourth quarter. Leading with a comfortable margin, the fast pace continued until the game ended.

As a team, the Lady Bulldogs shot an even 50% (36-of-72) from the field on the afternoon compared to Henderson State's 39%. SWOSU also dominated on the boards, outrebounding the Reddies 49-31.

With the win, SWOSU extends its winning streak to 13 games and moves to 14-2 on the year and a perfect 8-0 in Great American Conference play.

## Men's Basketball Unable to Produce Down the Stretch

**Jon Chidester**  
SWOSU Assistant AD/Media Relations

SWOSU basketball was in a one possession game coming down the stretch against Henderson State on Saturday but could not get the timely offensive score or defensive stop they needed and lost 80-70 inside the Pioneer Cellular Event Center.

SWOSU held a 67-66 advantage with 3:40 left to go in the game after a Mason Hart three-point shot, but an immediate answer from the Reddies on the other end made the lead change one final time. Jaylan Williams knocked down a three-point shot of his own with 1:13 remaining that had the game back within one possession, but a dagger basket on the other end by HSU pushed the margin back to multiple possessions and SWOSU would eventually be forced to foul to extend the game.

The first half featured 12 lead changes but as the half went on, Henderson State built their lead which included an 11-0 run in a span of three minutes.

The Dawgs got behind double digits but fought back to get within two points before HSU would score the final five points of the half and led it 38-31 at the break.

Hart finished with 14 points on the afternoon and shot 75 percent (3-for-4) from beyond the arc. Damion Thornton finished with 13 points and was one rebound shy of recording a double-double. Chris Braggs, Jr. and Williams tallied 11 points apiece.

# Mason Hart & Macy Gore Earn Bulldogs of the Week

**Jon Chidester**  
SWOSU Assistant AD/Media Relations

Mason Hart and Macy Gore are the newest Bulldogs of the Week. The award is brought to you by Wright Wradio, the home of SWOSU Athletics on both 95.5 'The Coyote' and 100.3 'Coyote Classic.'

Hart (Pond Creek, Okla.) scored a career high 14

points against Henderson State last Saturday on an efficient 5-for-7 (71%) shooting including 3-of-4 (75%) from beyond the arc. Coming off the bench against the Reddies, he provided a boost for the offense by leading the team in scoring in 29 minutes of court time. For the week, Hart also tallied three assists and two steals for men's hoops.

Gore (Taloga, Okla.) also had herself a game

against Henderson State in the women's matchup, finishing with 19 points, 10 rebounds and eight assists – just two assists shy of a triple-double. That marks her second highest scoring and assist total as a Lady Bulldog, and a new high in rebounding. SWOSU Women's Basketball extended their winning streak to 13 games last week and are currently ranked as high as No. 17 in a national poll.

# Estate Planning & Tax Prep Edition

## Planning Your Legacy with Christensen Law Group

**Chad Gray**  
Staff Writer

We live in uncertain times. Whether it's the ever present threat of a global health crisis, housing bubbles, or financial market instability, there are a lot of things in this world that you simply have little to no control over, and despite your best efforts you can never fully predict the future. For these reasons alone it's wise to have a plan that protects your assets as well as the people you love, so that no matter what happens your family and your property are in good hands. That's where Carissa King at Christensen Law Group comes in.

"A lot of people don't realize that if you don't have a proper estate plan in place State Law will be used in lieu of a plan should you perish," said King "And this extends not only to your assets, but even your children if they're still minors." So, it's never too early to think about who you will entrust with your legacy.

It's estimated that fifty to sixty percent of American adults don't have a will or estate plan in place, so if you don't have your plan prepared you are most certainly not alone. But when is a good time to prepare your plan?

"A good time to get a plan in place is around big life changes. Buying a house, having a child, transitioning to a new job. These are all great times to think your plan through, so that you have peace of mind knowing

the things and people that matter most to you are safe" said King.

While it may seem overwhelming trying to prepare a plan for your legacy during huge milestones in your life King assured me that the "clients often need less to get started than they think, and they don't need to know the nitty-gritty details to get a good plan in place."

Carissa (Marquis) King practices primarily the areas of estate planning, probate administration, trust administration, and real estate transactions. Originally from Weatherford, Carissa is a graduate of Southwestern Oklahoma State University, where she received a B.B.A. in Finance in 2008. She went on to attend the University of Oklahoma College of Law, where she was the recipient of the Top 20 Speaker award in the First Year Moot Court Competition and was named a Nathalie Pierrepont Comfort Scholar, a Thomas L. Hieronymus Memorial Fund Scholar, an Oklahoma Bar Association Income Tax Scholar, and was an Assistant Note Editor of the Oklahoma Law Review.

## "The Coin Guy"

**Andre Dawson's 1863 Silver Dollar**

This week's featured silver dollar comes from the collection of Andre Dawson a Baseball Hall of Fame inductee.

In December 2021, Heritage Auctions sold the 1863 Seated Liberty dollar. It is certified by the Numismatic Guaranty Corporation as a Mint State 67. It's described as, "most awe-inspiring" and "memorable" due its beauty for coin that is 159 years old and looks like it was minted last week.

The above-pictured 1863 Seated Liberty dollar comes from a mintage of only 27,200 pieces. Approximately, 24 to 36 Mint State examples are known. In 1998, Andre Dawson bought this silver dollar for \$50,600. It sold in December for \$114,000.
