**Jerry Fast**

Jerry Neal Fast was born January 22, 1937 on his family farm northwest of Fairview, OK, to Alvin and Irma (Schroeder) Fast and passed away on Tuesday, October 11, 2022 at Homestead of Weatherford. He was a beloved husband, father, Papa and friend. Grandparents, Cornelius H "Neal" and Marie Schroeder, his grandparents, were a loving presence in his daily life.

Jerry was raised and attended school in Fairview, OK. From first through eighth grade, he attended Golden Valley School and then went on to graduate from Fairview High School in 1955. He was an active member of FFA and served as State FFA vice president in 1955. Following high school, Jerry attended Oklahoma State University for one year before transferring to the University of Oklahoma, graduating with a BS Degree in 1959. While at OU, he met the love of his life, Mary Martin, and they were married on August 20, 1960. They immediately moved to Durham, NC, where Jerry attended seminary at Duke University. He received his Doctor of Divinity degree and became a pastor in the United Methodist Church. Jerry and Mary both served churches in Canton, Lakeside Methodist (Oklahoma City), and Grandfield, OK; making many wonderful life-long friends with church members and fellow pastors.

An opportunity to purchase Reese's Gifts led Jerry and Mary to Weatherford in 1974, where they then opened Pink Turtle Gifts. Jerry would smile as he recalled how happy he was each time he walked into the store for the next 35 years. Rather than a job, he counted the time he spent talking to, and helping customers, as a joy. Many of his customers became lifelong friends.

Jerry was a member of the First United Methodist Church, the Weatherford Chamber of Commerce, and Kiwanis Club, serving in many roles in each. He also served as Scoutmaster for Boy Scout Troop 355, where both of his sons obtained the rank of Eagle Scout during his time.

One of Jerry's joys was traveling around the U.S. and abroad, with a special love for hiking and fishing in the Colorado mountains. He also loved teasing and laughing with his grandchildren, singing them many renditions of "Home on the Range", as well as many closely fought ping pong matches adding to the joy.

Jerry is survived by his wife of 62 years Mary, three children: Kirk, Scott and his wife Karen, and Amy and her husband Dan Sullivan; seven grandchildren: Sarah Fast, Matthew Fast, Rachael Ruth and her husband Miles, Jack Sullivan, Jonathan Fast, Patrick Sullivan, and Jacob Fast. He was preceded in death by his parents, grandparents, and grandchild Christian.

## SWOSU Hosts 5th Dr. Blake Sonobe Lecture Series

**J. Boone Clemmons** SWOSU Public Relations/Marketing  
 The fifth installment of the Dr. Blake Sonobe Lecture Series at Southwestern Oklahoma State University (SWOSU) is scheduled for Friday, October 28, 2022, from 6-8 p.m. in the Fine Arts Center – the public is invited to attend. This year’s lecture features Ms. Camille Goerend, a Biological Sciences major and senior from Weatherford, Oklahoma. Goerend will speak about her experiences working as an undergraduate researcher for Dr. Vijay Somalinga. The title of her talk is “Beta-Carbonic Anhydrase: A potential antibacterial target against Rhodococcus equi, the main cause of pneumonia in foals”.

Goerend has had a successful research career while at SWOSU, serving as a Stafford Scholar for the General Thomas P. Stafford Air and Space Museum. Most recently she represented SWOSU as the university representative for the 27th Oklahoma Research Day at the Capitol where she won the grand prize of a \$5,000 research grant to continue her studies. After graduation,

### National Day of Prayer for the Persecuted Church.

Jim Morrison

“Religious persecution in China today is worse than it has been in decades.” This report is from Bob Fu, former Chinese dissident and longtime international human rights advocate while speaking at a gathering at Dallas Baptist University.

Fu formerly taught in a communist school in China, but he became a Christian and pastored a network of underground churches. He was arrested and imprisoned but managed to escape with his wife and later settled in the United States where he founded the ChinaAid advocacy organization.

He noted that the Chinese Government has “launched a war against the cross,” outlawing its public display throughout the nation. According to this

report from the Baptist Standard, China has outlawed the public display of the cross and began a “cross demolition campaign.” Pastors who refused to remove the cross from buildings received 12-14 year prison sentences.

Fu said he is discouraged by the increase in religious persecution, he reminded the group that religious revival followed persecution during Mao’s Cultural Revolution, and he predicted a “much bigger revival” could result from the suffering of Chinese Christians today.

This is only one of many spots around the world where it is very physically dangerous to be a follower of Christ. Many places in the Middle East as well as in Africa, have had homes and churches burned and many lives lost because of their faith in Christ.

Even in the USA, while interviewing an athlete, the name of Jesus is blocked out for fear of offending somebody. It is okay to use it as a swear word but not okay to speak favorably of that great name.

Churches often speak little of the “day of Prayer” for our brothers and sisters suffering for the name of Christ. It might interfere with our schedule. One of the most important things for those being persecuted is to know that they are not alone—that they are not forgotten.

How can we pray for the Persecuted Church? We might

think that we should pray that the persecution would stop. While that is true; many know that to just simply stop their witnessing would end the persecution so that is not the first choice. Some thoughts are as follows:

- Pray that they would sense the presence of Christ through the Holy Spirit.
- Pray that their faith would endure--“that they would stand firm in all the will of God, mature and fully assured. (Col. 4:12)
- That their strong faith and demeanor would be a witness to their captors.
- That they would be able to forgive those who persecute them.
- That families left behind would be provided for and comforted.
- That healing from beatings and torture would come quickly.
- That government authorities would be responsible in punishing the perpetrators.
- That the power of the Holy Spirit would break through the barriers and true revival would break out.

# Brown and Watkins Win Bulldogs of the Week

**Grant Kopycinski**  
SWOSU Sports Information Assistant

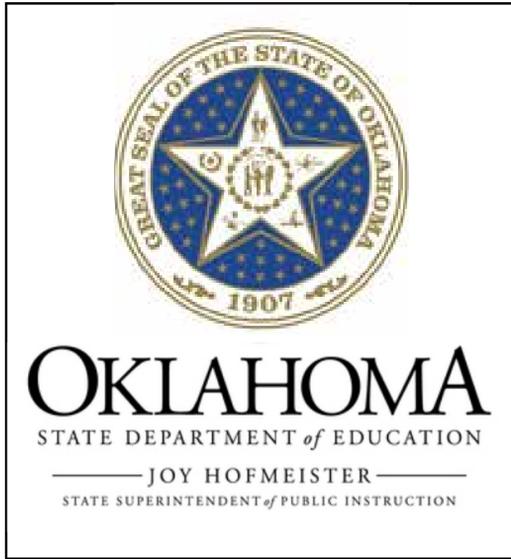

Dexter Brown (football) and Tianna Watkins (women's soccer) have been selected as the newest Bulldogs of the Week. The award is brought to you by Wright Wradio, the official partner of SWOSU Athletics for both livestream and radio.

Brown (Tampa, Fl.) was one of the bright spots for the SWOSU football team this past weekend. He was the Dawgs leading rusher on Saturday with 94 yards. He did it on 13 carries, which was good for 7.2 yards per carry. He put his mark on the game with a rushing touchdown and a receiving touchdown as well.

Watkins (Arlington, TX.) has been the leader of the backend on defense for the SWOSU soccer team all season. Over the two games last week, she helped hold Ouachita to three shots on goal and Harding to two shots on goal. Her stout defense led the Dawgs to an 0-0-2 week to keep SWOSU at the top of the GAC soccer standings.

## State Superintendent Hoffmeister Announces 'CLASS 2.0' Grant Initiative This Fall

State Superintendent of Public Instruction Joy Hofmeister announced that the Oklahoma State Department of Education (OSDE) intends to complete a planned phase two of the Oklahoma Classroom Learning and School Supplies (CLASS) Grant initiative this fall.

Based on its record-setting success implementing the first round CLASS Grant initiative in February 2022, the OSDE once again plans to dedicate \$6 million in federal relief funds to help classroom teachers obtain resources for their students through the national nonprofit DonorsChoose.

Hofmeister directed federal funding to the CLASS initiative after a survey of teachers revealed the urgent need for new classroom tools to address learning gaps created by the pandemic.

"Teachers in Oklahoma need as much classroom support as possible as the impacts of the pandemic continue to be felt and available resources remain scarce," Hofmeister said. "Rising inflation has kept needed school supplies and learning resources out-

of-reach for too many teachers and families. Our first round of CLASS Grant funding was wildly successful in addressing the high-demand need for resources to support learning and we anticipate continued success with CLASS 2.0."

Dates for the second CLASS Grant initiative (CLASS 2.0) will be announced once it has the Governor's cabinet secretary's signature.

The OSDE will provide up to \$800 to an educator's project, available on a first-come, first-served basis for only one project per classroom teacher. Materials requested must be for student use; professional development materials will not qualify.

More than 7,500 Oklahoma classroom teachers in 1,411 schools at 462 districts received shipments of hand-picked learning tools and school supplies through the first CLASS grant initiative.

Teachers, schools and districts interested in participating in CLASS 2.0 can visit [sde.ok.gov/classgrant](http://sde.ok.gov/classgrant) for more information.
