Jo Sharp

Joseph Mearl Sharp, loving husband and best friend of Glenda Long, father of J P and Preston Sharp, grandfather of seven, and friend of many, was born on March 19, 1950, to William Sharp and Georgia (Bechdolt) Sharp in Youngstown, Ohio. He left this world on Saturday, December 17, 2022, at Mercy Hospital in Oklahoma City at the age of 72 years, 8 months, and 28 days.

Joe was raised in Youngstown, Ohio, and graduated from Austintown-Fitch High School in 1968 where he was a great saxophone player and member of the marching band. He completed two years of education at Mount Vernon University in Ohio. He moved to Oklahoma and earned a Bachelor of Arts degree at Bethany Nazarene College in 1973. On June 12th, 2004, he married Glenda Long in Nevada while attending and enjoying a trip with Allstate Insurance.

He had a love for sports and played baseball in high school and college. He continued to play throughout his adult years. His love for sports included coaching his boys. He was the one who would take the bullet for all, and if anyone was ejected from the game for setting the referees or umpires straight, it was him. He was an avid Ohio State Buckeye fan and very vocal about it.

Joe began his first career in education, teaching history and coaching. After working at GMAC Financial, he entered his 30-year career with Allstate Insurance as the Oklahoma Rookie of the Year. He became a manager of agents for the state of Oklahoma and thoroughly enjoyed working face-to-face with everyone. He received numerous awards and loved to motivate the agents with a little entertaining song of "Taking Care of Business." After "Taking care of business" for thirty years he retired from Allstate Insurance Company March 31, 2010.

Joe loved being Grandpa and Gramps to his seven grandchildren. It gave him so much pleasure and satisfaction to spend time with them. Joe was a great communicator, loved to visit, and never met a stranger. He always said his wisdom came from his life experiences, and he shared his wisdom. His conversations will be greatly missed by all who knew and loved him. His favorite past times after retirement were reading the Bible, playing his customized music list, cooking, and watching The Ohio State University Buckeyes.

Joe is survived by his wife Glenda Long of Hydro, Oklahoma; two sons: J P Sharp of Tulsa, Oklahoma, and his wife Hilary, Preston Sharp of Oklahoma City, Oklahoma and his wife Becca; five sisters: Jean Christy of Canfield, Ohio, and her husband John, Janis Clark of The Villages, Florida, and her husband Russell; Jackie Hall of Moore, Oklahoma, and her husband Daryl; Sue Montgomery of Athens, Alabama, and her husband Pat; and Karen Taylor of Moore, Oklahoma; one brother, Billy Sharp of Bethany, Oklahoma, and his wife Donna; seven grandchildren; and numerous nieces and nephews.

He was preceded in death by his parents, two nieces Shannon Lynne Clark and Michele S. Montgomery, and one nephew Todd Klingel.

Hilda Eyster

Hilda Gwendolyn Stalinger was born in Emrick, North Dakota, on March 31, 1949, to Fred and Erma (Krohl) Stalinger. She passed away in her home southwest of Thomas on Friday, December 16, 2022.

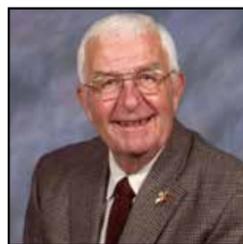

She attended school in Fessenden, North Dakota, graduating in 1967. She attended Minot State in Minot, North Dakota, for one year and completed her elementary education degree at Mid-America Nazarene University in Olathe, Kansas, in 1971, one of the first graduating class of the college. She taught third and fourth grade for a time in Forbes, North Dakota, and then third grade in Regent, North Dakota, for several years. She met David Eyster while he was in the Regent area with a harvest crew. They married in Regent, North Dakota, on May 6, 1977. They made their home southwest of Thomas, Oklahoma. She assisted in the kindergarten class of the Thomas Public School for a while and then took on the role of farm wife. Hilda loved Jesus and she enjoyed teaching children about him.

Hilda is survived by her husband David of the home, son Eric and wife Kristi; grandchildren: Evan, Easton, and Karis, sisters: Caroline and Bill White of Hopewell, Virginia, Gladys and Rick Williamson of Sellersburg, Indiana, Jo Stalinger of Minot, North Dakota, brother Robert and Judy Stalinger of Clarendon Hills, Illinois, and many nieces and nephews. She is preceded in death by her parents Fred and Erma Stalinger, one sister Helen, and two brothers Fred Jr. and Jimmy.

Joe Dubey

Joseph William Dubey was born on April 20, 1928, in Amery, Wisconsin, to Adelard and Susan (Winchester) Dubey and passed away peacefully on December 18, 2022 at the age of 94. He graduated from Harding High School (St. Paul, MN) in 1946 where he loved playing football. His graduation present from his father was a dime for the bus to take him to enlist in the Army. A WWII veteran, Joe was stationed in Japan and a proud member of the VFW. After serving his country, Joe attended the University of Minnesota and earned an Associate Degree in Business. In 1951, he began his 38-year career with 3M Company which took him from Minnesota to California and eventually to Weatherford, OK. Joe was the Human Resource Manager in Weatherford for many years and represented 3M at community events. He brought joy to hundreds of children at the annual 3M Christmas party, playing Santa Claus for the children of 3M employees. Joe was proud to be a 3M'er! When he retired in 1989, a street near 3M was named in his honor to recognize his impact on 3M and Weatherford.

Joe was introduced to the love of his life Helen Stawnychy on a hayride. Their love blossomed and Joe and Helen were married on December 29, 1951, at St. Mary of the Lake Catholic Church in White Bear Lake, MN. Joe and Helen were blessed with five children. Joe spent his free time cheering at his children's sports activities, playing golf, serving his community of Weatherford through the Chamber of Commerce (past President), Weatherford Opportunity Workshop (Board Member and Executive), Weatherford Hospital Board Member, Rotary Club (Paul Harris Fellow) and serving his church, St. Eugene's Catholic Church. Joe was ordained a Catholic Deacon for the Archdiocese of OKC on November 14, 1986. He served his church as Deacon for 24 years. Joe officiated at hundreds of weddings, baptisms, and funerals, including his own daughter's wedding and his grandchildren Sarah and Andrew's baptisms.

During his retirement, he enjoyed traveling with Helen, driving his beloved '67 Dodge Dart convertible, continuing his volunteer work at church and in the community, serving on a Governor's Commission, spending time with his children and grandchildren and cheering on the Golden Gophers. After retiring from 3M in 1989, Joe was asked by several local businessmen to run for Mayor of Weatherford. Joe had no interest in being a politician, but wanted to continue to serve his community, so he agreed to enter the race for Mayor. His enduring commitment and love for his community was never more obvious as he campaigned (and lost) with integrity.

Joe is survived by his wife of almost 71 years Helen; his children: Mary Jo, David, Nicole (Fred) and Paul (Lisa); grandchildren: Nathaniel, Karley (Sonny), Sarah, and Andrew; and great-grandchildren Xander and Jaxon. Joe was preceded in death by his parents; siblings Maxine and Tom; his son Daniel; and daughter-in-law Marcia.

Christmas in a Broken World

As I write this on the eve of Christmas, my cup is not quite filled. The snow storm in the Midwest has prevented my Indiana loved ones from coming. Last year Covid 19 was the enemy, this year a massive storm that has kept many from their annual trek home.

I'm not mad at God; disappointed but not angry. For I know that there is a bigger plan at work than my little mind can conceive.

But there are things that make me mad; not at God but at the evil one who is going about looking for those he can destroy. Jesus spoke of him in John 10:10. "The thief comes to steal, kill, and destroy; I am come that you might have life, and have it to the full." This should be a time of joy unspeakable as we celebrate the greatest birth in history; mighty God of creation taking on flesh to build a bridge to God's grace and forgiveness and providing access to a

relationship with Him. The little baby born in a manger was to "die for our sins, the righteous for the unrighteous that he might bring us to God."

I Peter 3:18. How our world needs to recognize that great truth. life can bring great pain. For almost 20 years I have been involved in the Angel Tree ministry, sponsored by Prison Fellowship. This is an effort, started by Chuck Colson in 1986 to minister to children who have a parent, or sometimes both parents away from home during Christmas serving time in jail or prison. Many times it is not just the inmate who suffers it is the whole family.

Members of churches buy a gift in the name of their absent parent, to demonstrate their love even though they are not present. This year in delivering the gifts I have asked the caregivers to come to me so that I can hear their stories. I have set across the table in Braum's to hear the pain of broken relationships, of embarrassment, shame and guilt.

One young mother of three, living in a small trailer off the beaten path, shared her fears of the impending deportation of her husband in a situation that seems so unfair.

He had come to this country as a baby, grew up, married and made mistakes. I did not ask the nature of his offense. But because of that crime he is facing deportation away from his family, back to Mexico where he has no family or friends.

It seems so unfair at a time when millions are pouring across the border, that we would send one away, leaving a wife and children who need his care. It will be a life sentence.

Another mother shared her heartbreak of sons who were so captured by meth that they had stolen much of the family property to support their addiction. Through tears she shared the pain of raising teenagers in a world gone mad with false promises of pleasure and fulfillment from the thief who came to destroy.

As I prayed with each of the families, I realized how blessed I have been. Raised in a poor but loving family, in Christmas's that brought one present at best, but seeing honesty and integrity displayed in life's circumstances.

These families of incarcerated parents need a support system; the children will grow up with a strong chance of repeating the mistakes of their father or mother unless the cycle is broken. In his sermon in his hometown of Nazareth, Jesus proclaimed that he had come to set the captive free.

Those who have chosen to follow Him need to be His hands and feet to bring freedom to those held in bondage; to relinquish our rights to comfort and convenience, not asking whose fault it is, just being Christ in the flesh to broken hearts.

"The Coin Guy"

The Most Controversial Quarter in U.S. History

Trent Boesen

The bare-breasted Liberty Quarter of 1916 caused much speculation about its design.

On the 1916 quarter her right breast was exposed (due to modesty concerns of the public, use your imagination).

Production started late in the year and 52,000 pieces left the Mint on December 29 causing an instant rarity for collectors which continues today.

Soon after the public protested their release. People contacted Congress to stop production and demanded the coins be taken out of circulation.

(The result of the protests caused the Mint to cover Liberty's breast with a chain mail). In November 2022 a 1916 Liberty quarter sold for \$10,500

Do you need help selling a coin collection? Do you want to start a collection of Liberty quarters? Call The Coin Guy at 580-890-8076. We can meet at the Downtown diner and discuss your needs. Coffee is on me. Thanks for reading.

CUSTER CO / COURTHOUSE FILES - Custer County District 1 Commissioner Wade Anders gave an update about the progress in clearing stored files from the third floor of the Custer County Courthouse. The area had previously served as the old jail. Anders said the process of moving stored items continues and reduces the weight, easing structural issues on that floor. Commissioners have also discussed enclosing an outdoor area adjacent to the old jail to utilize for storage.

WESTERN OK / SEVERE WEATHER - A Siberian Winter System swept through Western Oklahoma last Thursday morning and dropped temperatures into the single digits and 30-40 mph wind gusts caused subzero wind chill temperatures. Some power outages were reported after the cold front passed through. The town of Butler was without power on Thursday.

WPS / COUNSELOR GRANT - The Weatherford School District has been awarded a grant for an additional LPC Counselor, licensed counselor and school counselor. Superintendent Jill Henderson says one area the district will focus on is absenteeism. She says the grant is for the remainder of this school year and next school year.

STITT / AVIATION - In an exclusive interview on Wright Wradio last week, Oklahoma Governor Kevin Stitt talked about the role Western Oklahoma plays in his plans for increased emphasis on the aviation and defense industry. Stitt says that Southwestern Oklahoma State University's commitment to aviation studies and the development of the Burns Flat Spaceport will be key to attracting young people to the industry.

Photo Gallery: Open House Event for New Weatherford School

Alexander Shook / WW

East Intermediate of Weatherford opened its doors to the public on December 20th to show off the product of the YES Weatherford initiative. The open house began at 4 p.m. and lasted until 6 p.m. Teachers have already moved equipment into their new classrooms. 5th and 6th grade students will attend classes at the new school starting January 5, 2023.

Alexander Shook / WW

Fresh-faced teacher Mr. Michael Misak enthusiastically showed off his classroom to all visitors who passed by at the back end of the school.

Alexander Shook / WW

An East Intermediate staff member, dressed as the Grinch, was in attendance at the open house. As guests passed through the school halls, the Grinch might have thrown his passive-aggressive attitude their way or even chased them down the hallways.

Elk City Toy Drive Sees 360 Gifts Delivered to Local Kids

This year's Mayor's Toy Drive in Elk City put smiles on a record number of children's faces. With the help of many generous individuals, schools, businesses and at least one church, 360 gifts were recently distributed to children by toy-drive volunteers. "This is a wonderful yearly event that makes Christmas more special for several local kids," said Elk City Mayor Cory Spieker.

Toys were dropped off between Nov. 21 and Dec. 2 at Elk City Fire Department, Elk City Police Department, City Hall, the Arrowhead Center, Windy Nissan, Mountain Man's Axe Throwing & Grub, and Western Oklahoma Christian School's Elk City campus.

Families with children receiving gifts picked up the toys at the Convention Center, and several volunteers, including Santa and Mrs. Claus, were on hand to help.

The current version of the Mayor's Toy Drive began at least 20 years ago when Teresa Mullican was Elk City Mayor. It's expanded since then.

"I think we've steadily broken the record for donations received and families served," said former mayor Nick Archer. "This year was no different as we served 360 kids."
